PLANS COMPLETED FOR BIG PICNIC HERE ON JULY 3

Our Town

A certain magazine which is not named "The Buzzard," although it ought to be, is running a series of articles on American states. From these articles we gather that the American States were settled by men who were chased out of Europe for Europe's good and that even today they are suffering from everything from ringworm to spavin.

Every now and then some man named Mencken or Lewissohn or something of that kind, lets us know what is wrong with America. It seems we have no appreciation of art. We worship an awful God. Our womankind are contemptible and we are unable to appreciate the fact that long hair and a soulful expression indicate an artist.

In about half of the cases these men are the sons of Europeans who took off their hats and got into the gutter every time they saw a military uniform approaching. In some cases they are the sons of Russian and Polish Jews who were migthy lucky to be allowed to live at all. Now they come over here and tell us what is wrong with America and the principal thing they find wrong is that American women don't play the free love game and American men vote for prohibition.

We can tell these people what is wrong with America and do it in a few words. The wrong and the trouble is that some Americans left the gate open entirely too long and let in a lot of individuals who would not be worthy to kiss the boots of George Washington if they crawled from Ellis Island to Mount Vernon to do it and who certainly are not worthy to criticise the Americanism left us by Washington, Jefferson and Benjamin Franklin.

We stop a moment to apologize to honest immigrants. These men by the millions send their children to the public school, teach them to love the flag, and even insist that they forget the speech of their forefathers in order that they may be better Americans. The trouble with this country is not so much "immigration" as the lack of "emigration."

Ladies and Gentlemen:

We have with us today—a civic problem that should enlist the sympathetic interest of all the citizens That problem has to do with the conditions surrounding the Yoe High School building. Last week "Our Town" Editory called attention to this condition and many took occasion to congratulate us on what we had to say. It is not consistent with the civic traditions of the town to let this matter go unnoticed. The campus of this building should be cleaned up and the street put in condition around it. Furthermore a front street approach should be provided so that people going to this building could turn off 13th street and have a broad driveway up to the campus. The grounds should be lighted and otherwise improved. If the matter of improving these grounds is delayed much longer considerable criticism of those responsible for its upkeep will be justified. This building was given to the city for school puropses. How better could we show our appreciation than by keeping the building and the grounds in accordance with an approved civic plan.

Last January talk of street paving brought out some definite plans for the improvement of the grammar school and the negro schools, offered in lieu of the paving plans as the solution to what we might term an urge to do something for the town. Winter is coming and the grammar school is still unheated and the congestion and study conditions are the same. Over in the black belt where some 1500 negro citizens live, dependent on the white man for the instrumentalities of civilization, the same tumble down school house waits the opening of the next term. Time increases the reason why those promises should be met inasmuch as they were used to bring about the defeat of the paving plans. Did we mean what we said?

Citizenship carries with it responsibilities that we canot escape if we would establish our claim to such distinction. Men who accumulate fortunes in any community owe that community something in return as sure as the sun rules and governs the day. Who are the citizens? They are the folks who give their time and means to worthy enterprises and are always found on the firing line to take a step in the direction of progress. They are the folks who build schools, delight in civic pride and feel responsible for conditions.

Last Friday Sheriff Drue Rogers and Sheriff N. O. Kennedy made a whisky raid near Marak and took three stills and about ten gallons of spirits. Three men were arrested. People who manufacture whisky in violation of the law are not only misapplying their citizenship but are inviting the shadow of prison walls.

You may not like trouble, but have you noticed that you can't accomplish much without it.

Sometime we envy the fellow that stutters. His affliction must come in handy when it's necessary to invent excuses.

MASONIC LODGE INSTALL OFFICERS MONDAY NIGHT

PUBLIC INSTALLATION HELD IN NEWLY REFURNISHED HALL.

The local Masonic Lodge held a public installation of officers last Monday night at its beautiful hall which has been recntly refurnished at a cost of several thousand dollars. Some three hundred members and their families and friends gathered in the lodge room to witness the ceremonies. Tom S. Henderson, Jr., retiring Master, presented R. P. Jeter, a Past Master of the Lodge, who acted as Installing officer, assisted by District Deputy Grand Master J. H. Ireland, as Marshal. Mr. Jeter, who is gifted with true dramatic instinct and excellent forensic qualities, presided with much grace and dignity, and installed the following officers of San Andres Lodge No. 170, for the coming year: S. P. Cross, W. M.; C. G. Overton, S. W.; John B. Henderson, J. W.; T. F. Hardy, Treasurer; H. E. Garner, Secretary; Ira F. Key, Chaplain; R. E. Sharpe, S. D.; Vernor Roberts, J. D.; Drayton McLane, S. S.; R. C. Moody, J. S.; E. A. Oliver, Tiler.

After the beautiful installation ceremonies were finished J. L. Barmore presented the Masonic and allied bodies of Cameron with an exquisitely bound bible, which was accepted by the new Master, who delivered the wonderfully inspiring "Bible Lecture."

Mr. Cross was installed Master in his Forty-fourth Masonic year, has been a member of the order since his initiation in Missouri in 1879. His sons, Harry V. Cross and Price Cross, of Green ville, and Paden Cross, of Houston, and his son-in-law, L. H. Krough, of San Antonio, all of whom are Masons, were present for the installation with their wives. L. H. Krough, Jr., Mr. Cross' only grandchild, was also present.

After the ceremonies the ladies of the Eastern Star served delicious cake and sandwiches in the refreshment room.

JUDGE DAVIS APPOINTED JUDGE TENTH DISTRICT

APPOINTED CHIEF JUSTICE OF THE TENTH COURT OF CIVIL APPEALS.

News reached Cameron Tuesday of the appointment of District Judge W. C. Davis, of Bryan, as Chief Justice of the Tenth Court of Civil Appeals at Waco, whirch was created by the First Called Session of the Legislature. Hon. W. C. Barcus of Waco and Hon. James S. Robertson of Meridian, were appointed Associate Justices.

Judge Davis served Milam county for several years as District Attorney, when Milam, Brazos and Robertson counties composed the Twentieth Judicial District. When Milam was made a separate district and Brazos and Robertson were formed into the Eighty-fifth District, Judge Davis became District Attorney of the New District, and afterwards was elected Judge of that district, which position he held at the time of his appointment to the appellate bench.

Judge Davis was one of the hardest prosecutors that ever served Milam county, and was so successful in securing convictions that he was nicknamed "Penitentiary Davis." Since his elevation to the bench he has acquired a merited reputation as a judge. Governor Neff is to be congratulated upon his appointment.

WEATHER REPORT.

Thursday, June 28 at 11 a. m.

Dallas and Vicinity—Tonight and Friday partly cloudy to cloudy with condition probably for showers.

Cooler tonight, 70 degrees or slightly lower.

East Texas (Cameron)—Tonight and Friday partly cloudy, probably scattered showers in the east portion.

Temperatures are 4 to 6 degrees above the seasonal noraml.

Temperatures for yesterday—Amarillo 60, Corpus Christi and Galveston 88, Cameron 95, Abeline, Fort Worth, Lampasas and Spur 100. Henrietta reached the peak with 106 degrees. Houston Snyder, Quanah and Spur report rain.

Cool wave started in the north west and we are promised cooler weather tonight.

GRAND JURY IN CALL SESSION.

The Grand Jury, called in special session by Judge John Watson, met Wednesday morning. It is not known at this time what indictments, if any, have been made. The session will probably last for several days.

METHODIST REVIVAL TO BEGIN SUNDAY JULY 1st

Sunday, July 1st, is the date set for the opening service of the Methodist Revival meeting. Rev. Ira F. Key, pastor of the church, the Board of Stewards, and the membership, have been planning for these servises for several months and the following details are given: Rev. J. E. Morgan of Texarkana, General Evasgelist of the Methodist church, will conduct the meeting. It will be remembered that Mr. Morgan held a most successful meeting for the church two years ago while the congregation was worshiping in the hall over the Law-Sprinkel building; so he is already well known to the Methodist people and to the people of Cameron in general.

Mr. Pfafenberger of Dallas a Song Evangel, for a number of years associated with Mr. Delay, general evangelist, M. E. church will have charge of the song service. The regular church service will be held Sunday morning at 11 o'clock, the revival series begining with the night service. The night services will be held on the church lawn, the day services in the Methodist churches near Cameron. A perfected plan for the day services will be announced later.

Rev. Key, pastor of the church, extends a cordial invitation to all Christian people of every denomination, and to the unconverted every where, to attend these meetings and to enjoy the blessings that may result from them.

Sunday afternoon, at 3 o'clock, the 3rd, Quarterly Confernece will be held in the church, together with the Maysfield and Buckholts Charges, and all officials of the three churces are expected to be present.

Be In Cameron On July 3rd; Big Picnic, Barbecue, Music

The big parade will form at the City Park, facing north on Crockett Street, promptly at 8.30 in the morning, under command of Leo Laake, Grand Marshal. For the best decorated car or float from Cameron a prize of Ten Dollars will be given, with a second prize of Five Dollars. A separate division will be formed for cars from out of town, and similar prizes of Ten and Five Dollars will be given for the best decorated cars in the County Division. From reports reaching the Parade Committee it is predicated that this division will have a large number of beautifully decorated cars entered. The judges will announce their decision immediately after the parade.

Miss Nell DuBois will lead in the Community Singing and will have an organized chorus of more than fifty voices to render various selections. The Band Concert will be given by two bands—the Cameron Municipal Band, under the direction of Prof. Paul Medsker, and the Pioneer Band, under the direction of J. T. Parma. These two bands will play for all events throughout the day.

Mrs. Jeff T. Kemp, chairman of the Soliciting Committee has appoined sub-committees to canvass the entire town for contributions of pies, cakes and potato salad, and each housewife in Cameron is asked to contribute four pies, one large cake and a quart of potato salad. These contributions will be received by the Committee at the Park, and the ladies are asked to have them delivered by 10:00 a. m. While it is hoped to reach every house in town, some may be missed, and everybody is expected to bring these three articles, whether you are actually asked by the Committee or not.

The Serving Committee announces that dinner will be served Cafeteria style. Several large tables will be erected and the attendants will load plates with delicious viands, which will be passed to the diners, who will thus be served quickly, enabling the committee to handle the great throng with dispatch. Enough tables and attendants will be provided to serve ten thousand people in twenty minutes.

Assistant Chief Lindsey and Chairman Roy Weems of the Firemes's Racing Committee announce that the races will be held in east Eleventh Street, immediately north of the Park. Two blocks will be roped off until after the races are over, so that the teams will have plenty of room for the races.

Manager Rogers announces a change in the plans for the Base Ball game. Instead of the San Antonio Bears, the Comets will meet Caldwell. The Caldwell team is the only one that has been able to give Cameron a good tussle this year, and it is coming to this game materially strengthened, so that ball fans may look forward to a battle royal. It is thought that the substitution of a neighboring team for a league team as rivals for the day will increase interest in the game. The Caldwell boys plan to close up their town and bring the entire population to Cameron to root for them.

A. F. Mitchell of the General Committee and E. H. Balhorn of the Publicity Committee have been busily engaged this week in distributing the big full page posters advertising the Prosperity Picnic, and the entire county has been placarded, and if there is a man, woman or child in Milam county that doesn't know about Cameron's big day, he or she is deaf, dumb and blind.

Wallace Moody of the Barbecue Committee and John Worcester, Barbecue Master, have completed plans for barbecueing the thousands of poundsof meat that have been contributed for the event. They have already had the pits dug—two hundred and forty feet long and three feet deep. Thirty cords of wood have been secured and are now being hauled to the Cage lot, east of the Park. John Worcester and Ray Robinson are busily engaged in gathering the animals, which are slaughtered under the direction of the Slaughtering Committee and the meat placed in the chilling vault of the Ice Plant. All meat will be thoroughly chilled before it is placed over the pits. Mr. Ernest Brod has been added to the Slaughtering Committee, and all killing will be done at his sanitary plant in West Cameron, under his personal direction.

Jim Neintst announces that the Water Committee will see that nobody goes thirsty. Two five hundred gallon tanks will be filled with ice water throughout the day.

Ray Robinson, chairman of the Concessions Committee has ordered a bountiful supply of all the good things necessary to make a picnic a success. There will be barrels and barrels of red lemonade, ice cream, soda water, esqumaux pies, cold dogs and everything else. Henrichsen's Ice Cream Factory will furnish the cream and the Coca Cola Bottling Works the soda water.

Coffee and Iced Tea will be served by Robt. McLane Company and the

(continued on page 8)

CAMERON VS. CALDWELL IN CAMERON JULY 3RD

The Cameron Comets and the fast Caldwell team will cross bats on the local diamond Tuesday afternoon at 3:30. The ball game promises to be the big feature of the day. Caldwell is mustering every good ball player available to beat Cameron in this game. Cameron lost one game to Caldwell several days ago and Caldwell has lost a game to Cameron. The sugar game here Tuesday will no doubt be the best game of the season.

San Antonio was scheduled to play here the third but canceled her engagement on account of haveing a double header game the 4th. So far the Comets have lost only two games one to Caldwell and one of Rosebud.

TEXAS GROWS RAPIDLY.

The five leading cities of Texas are gaining in population over the rural communities. Facts for you to ponder deeply. Progress everywhere, but growth and developemnt more pronounced in the big centers. This is an article that everyone should read who has at heart the good of the state and the interest of his or her community. Read it in the Magazine Section of the Cameron Herald July 12th.

If your subscription to the Herald is about to expire, besure to renew it now, so as not to miss any of the forthcoming issues. We have some more splendid articles which will appear in later issues.

ANOTHER FIFTEEN-BARREL PRODUCER IS BROUGHT IN

MINERVA FIELD CONTINUES TO BOOM UNDER STEADY PROGRAM.

Bynum and Ferguson have completed a well good for fifteen barrels on their Niehaus 100 acre lease in the Minerva field.

Wallace et als are bailing out their well on the Watson farm and it is showing for a good producer. Its exact poduction is not yet ascertained but it looks good for at least 15 barrels per day. This well enlarges the productive area of the Minerva field very materially and extends it approximately one mile south.

The Niehaus-Isaacs & Lee Oil Co., have completed three new wells and good wells on their Niehaus 200 acre lease and are now drilling number four well.

The Texas Petroleum Production Compay of California, John A. Lee, manager and field superintendent, has secured from Col. C. F. Niehaus a lease on 100 acres of his farm adjoining the Bynum and Ferguson lease ande will begin very soon to actively develop it. This company for over one year have been very actively drilling in the Tracy field with very meager results.

It is reliably reported that work will soon begin again on the Guiberson well on the Louis Posey farm. This well has been drilled to a depth of 3800 feet and it is the intention of the owners to drill a few hundred feet deeper.

The Milano Uplift Oil Company, of California, will spud in their well on the Mon Ashley farm, a few miles north of Milano, within the next few days. The geological indications in this section look exceedingly promising for a producer.

The production of the Minerva field for the first fifteen days of June was 640 barrels per day. This is the highest average daily production yet obtained in the field.

PROGRAM ARRANGED FOR BIG JULY CELEBRATION

PARADE FORMS AT CITY PARK AND ALL FEATURES OF DAY AND ALL FEATURES OF DAY SCHEDULES.

The program for the Prosperity Picnic and Celebration for July 3 has been announced. The line of parade is given and all events on the program for the day have been scheduled and will be given on time.

Much detail is omitted from the program but the events will consume the entire day and at night music and dancing will end what many predict the greatest entertainment in two decades.

Program for Prosperity Barbecue and Picnic July 3rd:

8:00 a. m.—Parade forms at City Park facing north on Crockett Street, march thence up Crockett Street to 13th Street, to Main Street, turns east on Main Street to Crockett Street, thence up Crockett Street to Park.

10:00 a. m.—Singing and Band Concert at City Park.

10:30 a. m.—Address by Hon. Luther Johnson, member of Congress, and others.

12:00—Dinner.

1:30 p. m. Reel Races at City Park on East 11th Street.

2:30 p. m.—Water fight at City Park on East 11th Street.

4:00 p. m.—Parade to Lawless Green Athletic Field.

4:15 p. m.—Areoplane Stunts.

4:30 p. m.—Ball Game, Lawless Green Athletic Field, Cameron Comments vs. San Antonio, Bears of the Texas League.

6:00 p. m.—Impromptu events at City Park, including swimming and fancy diving.

8:30 p. m.—Dance at Henne & Meyer Furniture Store Building.

HIGHWAY REPORT.

Thursday, June 28 at 11 a. m.

Highways are passable but some rough stretches will be concountersd through some parts of the state on account of construction work.

Road to Caldwell out of Milano is heavy.

Road to Taylor via Thorndale has greatly inmproved.

To Dallas via Waco is good with one detour out of Waco.

To Waco use road through Rosebud. Chilton via Satin or via Mooreville, avoid the road through Golenda.

Houston via Hearne is good.

To San Antonio via Rogers is good.

To Amarillo via Temple and Brownwood good.

Tourist travel heavy. The roads are good but the heat is almost unbearable in some sections.

PROGRAM CONSISTS OF A BIG VARIETY OF EVENTS

All plans for Cameron's Great Prosperity Picnic have been fully completed, and the big event will be pulled off according to schedule on next Tuesday, July 3rd. The program as announced calls for a variety of events, beginning at 8:30 a. m. and continuing throughout hte day, until the band plays the last lingering note of "Home Sweet Home" at the big dance to be held in the Henne & Meyer building. First comes the Flag-Raising on the Court House Square, when a detachment of ex-soldiers will raise the Stars and Stripes with appropriate ceremonies. Then the great Parade, starting at the City Park, circling through the residence section and passing in review through the principal business streets. Following the parade a Band Concert and Community Singing will be rendered in the Park. And then the Speaking: Congressman Luther Johnson, of Corsicana, Hon. John C. Townes, Jr., State Commander of the American Legion, and others. The Principal event of the day will be the Grand Barbecue Dinner—Forty Beeves, numerous Sheep and Goats, One Thousand Pies, Three Hundred Cakes, Three Thousand Loaves of Bread, Two Hundred Gallons of Coffee and a like amount of Iced Tea, Half a Ton of Potato Salad, Six Barrels of Pickles and other good things in abundance, will make this the biggest and best feed ever pulled off in Milam county. Fireman's Reel Races, in which twenty teams from over the State will compete for Three Hundred and Fifty Dollars in Prizes. A boisterous Water Fight between picked teams from Cameron's great Fire Department. Another Parade from the Park to Lawless Green Athletic Park, where Cameron's Champion Comets meet the fast Caldwell team, one of the best teams in Texas. After the Ball Game there will be Swimming and Diving Contests at the Natitorium and an hour off for rustling up Supper. The final event of the day will be Grand Ball in the Henne & Meyer Furniture building, and Manager Robinson, Schiller and Greenway authorize the statement that Cameron's big celebration will be fittingly ended in a blaze of glory.

The committees expect and have prepared for a gathering of from ten to fifteen thousand people, and wish it distinctly upderstood that every white citizen of Milam county is invited and urged to attend, regardless of who they are or what they do. The citizens of Cameron are undertaking to entertain their friends on that day, and on the committees will be found representatives of every class of people in the county. And this announcement is a special invitation to the farmers of the county and to the residents of Rockdale, Thorndale, Buckholts, Burlington, Ben Arnold, Marak, Yarrelton, Maysfield, Branchville, Clarkson, Baileyville, Minerva, Tracy, Sharp, Davilla, Gause, Milano, and all points between and beyond, and to all native Americans, Germans, Bohemians, Irish, French, English and any and all other nationalities that may desire to come. Come One, Come All! The People of Cameron Invite You!

FORMER PASTOR HERE LAST SATURDAY MORNING.

Dr. C. C. Weaver of Houston, Superintendent of Home Missions in Brozas Presbytery, motored over from Calvert last Saturday morning to attend the revival service at the Presbyterian church and to greet his many friends in Cameron once more.

Having once served the local church as pastor, he feels a strong attachment for the people here which they heartily reciprociate. He is conducting a meeting in the Calvert Presbyterian church which closes this week.

He was accompanied Saturday by his wife, his song director and the pastor of the Calvert church.

SHERIFF ROGERS GETS FIVE IN WHISKY RAIDS.

In a whisky raid last Friday Sheriff Drue S. Rogers and Deputies N. O. Kennedy and J. F. Gibbs arrested three men near Marak and took several gallons of liquor, mash and three stills. Three raids were made, whisky, mash, still and one man arrested in each instance.

Sheriff Rogers in another whisky raid Tuesday of this week arrested two men near Burlington and brought them to the county jail. Still and mash were confiscated. The men gave bond.

Mr and Mrs. R. P. Jeter and sons have returned from a two weeks outing spent at Corpus.

CANNING DEMONSTRATION BEN ARNOLD SCHOOL MONDAY AFTERNOON.

County Demonstration Agent Miss Gladys Henry, accompanied by Miss Ruth Kemp, daughter of Judge and Mrs. Jeff T. Kemp, visited in Ben Arnold Monday, where Miss Henry gave a Canning Demonstration in the Ben Arnold school building Monday afternoon.

Miss Henry has visited the progressive little city of Ben Arnold on several occasions and the preliminary work for a canning demonstration had been arranged for, so upon her arrival Monday, every thing was in readiness to begin and a goodly numbe of representative citizens were waiting to see and learn. Smothered chicken, roast beef, corn, peas and beets were canned according to the latest and best method, being preserved in such manner that they can be served at any desired time by simply heating the cans in which the food was placed. Every housekeeper in Milam county will appreciate what it would mean to be able to serve a meal of the above mentioned articles with only 10 minutes of time required for preparation. Modern Ben Arnold housewife will no doubt be busy this summer canning her surplus food products but next winter she can go to church or for an automobile ride, call on her neighbors or spend the mornng shopping, come home and in a few minutes serve her family an appetising meal. Any community in the county can have such a demonstration if they will call for one. Miss Henry stands ready to serve you.

Her office is in the Federal, or Post Office building at Cameron, Texas. Her office hours are from 7 a. m. to 1 o'clock every week day except Saturday when she goes on duty at 9 a. m.

The following ladies were present at the Ben Arnold canning: Mesdames Linda Collins, Emma Henderson, Charlie Nolte, W. C. Hatter, Alma Rice, Rosa Sproul, Hearne, Sharpe, Kosel, Tubbs, Little and Bryson, Misses Ena Kosel, Gertrude Sharpe, Orla and Kate Sproul.

FAMILY REUNION.

Mr. and Mrs. L. H. Krough of San Antonio, Mr.and Mrs. Harry V. Cross of Greenville, Mr. and Mrs. Paden Cross of Houston and Price Cross of Greenville arrived in the city Saturday and spent five days here with their parents, Mr. and Mrs. Sterling P. Cross. These home comings are semi annual events in the Cross home and are always delightful occasions to the participants. Louis Krough, Jr., son of Mr. and Mrs. L. H. Krough, spent several weeks here with his grand parents before the other guests arrived ,but returned home with his mother and father yesterday.

No Worms in a Healthy Child

All children troubled with Worms have not a healthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS chill TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle

Colds Cause Grip and Influenza

LAXATIVE BROMO QUININE Tablets remove the cause. There is only one "Bromo Quinine." E. W. GROVE'S signature on box. 30c.

WHEN TWO CARS ARE MORE THRIFTY THAN ONE.

"The used car has established its good character, and is coming into a more universal use every day," says G. C. White of the White-House Motor Company.

"Many a man is finding that it is real economy to own two cars. The big car stays in the garage in many cases while the used roadster that cost but a nominal sum does most of the running around. Especially is this true of the man who uses automobile transportation in his business.

"On the other hand, here is a man with a small car which he originally bought because there were only himself and his wife to use it. Occasionally it is nice to have a sedan. He bought a used sedan and it cost him so little that it's a good investment even if used only once in a while."

ICE CREAM SUPPER.

Ice cream and box supper at North Elm church next Saturday night June 30th, for the benefit of the church, and everyone is specially invited to come and bring their friends.

To Stop a Cough Quick

take HAYES' HEALING HONEY, a cough medicine which stops the cough by healing the inflamed and irritated tissues.

A box of GROVE'S O-PEN-TRATE SALVE for Chest Colds, Head Colds and Croup is enclosed with every bottle of HAYES' HEALING HONEY. The salve should be rubbed on the chest and throat of children suffering from a Cold or Croup.

The healing effect of Hayes' Healing Honey inside the throat combined with the healing effect of Grove's O-Pen-Trate Salve through the pores of the skin soon stops a cough.

Both remedies are packed in one carton and the cost of the combined treatment is 35c.

Just ask your druggist for HAYES' HEALING HONEY.

BREAK CHEST COLDS WITH RED PEPPER

Ease your tight, aching chest. Stop the pain. Break up the congestion. Feel a bad cold loosen up in just a short time.

"Red Pepper Rub" is the cold remedy that brings quickest relief. It cannot hurt you and it certainly seems to end the tightness and drive the congestion and soreness right out.

Nothing has such concentrated, penetrating heat as red peppers, and when heat penetrates right down into colds, congestion, aching muscles and sore, stiff joints relief comes at once.

The moment you apply Red Pepper Rub you feel the tingling heat. In three minutes the congested spot is warmed through and through. When you are suffering from a cold, rheumatism, backache, stiff neck or sore muscles, just get a jar of Rowles Red Pepper Rub, made from red peppers, at any drug store. You will have the quickest relief known. Always say "Rowles."

AFTERNOON RECEPTION.

Monday afternoon, June 25, between the hours of 4 and 6 p. m. Mrs. Sterling Price Cross entertained at her home on North College Avenue in honor of her daughters, Mrs. Louis H. Krough of San Antonio, Mrs. Harry Vernon Cross of Greenville and Mrs. William Paden Cross of Houston.

Following a color scheme of pink and white, a pretty floral decoration for the home was effected by the use of pink roses, crepe myrtle and queens wreath.

Mrs. Robert McLane, sister of the hostess, met the guests and introduced them to the receiving line, the hostess and the three honorees.

During the afternoon piano selections were given by Mesdames R. P. Jeter, Paul Webb and Albert Green, Mrs. J. L. Clinton and Price Cross, contributed voice numbers.

Mrs. Oxsheer Smith invited the guests into the dining room where they were served pink and white brick cream and angel cake, by Mrs. John Mangum, Mrs. Hayden Lawrence and Miss Sallie Kate McLane.

This was an unusually pleasant social event, and a number of guests called during the hours.

Mrs. Krough, was Miss Elizabeth Cross, and it is always a pleasure to her Cameron friends to meet her.

Harry and Paden Cross were reared here and their boyhood friends were delighted to meet and to know their wives.

* * *

A wedding which came as a distinct but pleasant surprise to many interested friends, was solemnized in Temple June 22, when Rev. Stewart, pastor of the Methodist church, united in marriage Mrs. Bertha Barrett of this city and Mr. J. M. Clenney of Nashville, Tenn. After the ceremony, Mr. and Mrs. Clenney visited in Waco, Dallas, Austin and other points returning to Cameron this week where they will be located.

Mrs. Clenney is a daughter of Mrs. J. O. Vaughan, and a sister of Elmo Vaughan, both of this city. The Vaughan family is an old Milam county family and Mrs. Clenney has friends of long standing in many sections. She was at one time manager of the Rosebud telephone Exchange and her sojourn in that city added considerably to her list of acquaintances and friends.

Mr. Clenney is a young Tenneseean who represents the National Life Insurance Company of his native state.

The Herald joins with other friends in extending congratulations to Mr. and Mrs. Clenney and wishing for them a life of happiness and success.

* * *

IN HONOR OF MISS JOSLIN.

Miss Jewel Joslin, bride of the week, has been the recipient of many social courtesies. On last Friday, the ladies of the bridal party were entertained with a Spend the Day Party at the home of Mrs. W. B. Levy in Rogers. Mrs. C. W. Read entertained with a noon luncheon on Tuesday and on Wednesday at noon the entire party were guests of Rev. and Mrs. Ira F. Rey.

* * *

PICNIC FOR CROSS HOUSE PARTY

A picnic at Wilson-Ledbetter Park, arranged in honor of the Cross house part, was an enjoyable event Tuesday evening. The personnel of the party was as follows: Messrs. and Mesdames S. P. Cross, L. H. Krough, Harry V. Cross, Paden Cross, Oxsheer Smith, John Mangum, Robert McLane Hayden Lawrence, Miss Sallie Kate McLane, Drayton McLane, Price Cross, Louis Krough, Jr., John Jr., and Beth Mangum.

* * *

KOLBA-CLEMENT.

Miss Florence Kolka and Robert W. Clement of Cameron were married Wednesday afternoon, June 20th in Temple, Rev. B. B. Blaylock pastor of the Temple Memorial Baptist church, performing the ceremony.

Miss Kolba is a daughter of Mr. and Mrs. F. R. Kolba of North Elm and a sister of Frank Kolba and Mrs. Vince Marak of Cameron.

Mr. Clement is a young business man, who located in Cameron about a year ago. He was formerly connected with the Newport Cafe but is now the proprietor of his own business on Main Street. Many friends extend congratulation to this young couple.

* * *

BAUER-MICHALKA.

Another June wedding and one of special interest to a wide circle of friends, took place in Cameron at 7 o'clock Tuesday morning, Miss Mary Bauer and Lewis Michalka being the contracting parties and Rev. Simon Spinneweber the officiating clergyman.

The nuptial vows, which included the ring ceremony, were said before the altar of Saint Monica Catholic church, which was prettily decorated with roses, crepe myrtle and ferns. John Bauer and Joe J. Michalka, brothers of the bride and groom, were the only attendants. The wedding guests were immediate relatives and close friends.

Mr. and Mrs. Michalka left on the early San train for a bridal tour embracing Waco, Dallas and Houston. The bride was becomingly attired in a dark blue traveling suit, with gray accessories.

MRS. KIRBY BOLES GETS MONTH'S VACATION.

Mrs. Kirby Boles, chief operator, Southwestern Bell Telephone Exchange, Cameron, will begin her vacation Monday, July 2. For her faithful and efficient service, the company has granted Mrs. Boles an extra two weeks vacation this year, so she will be out of the city during the month of July. She goes first by rail to San Antonio, after a short stop in the Alamo City, she will spend the first two weeks resting on a near by ranch. Mr. Boles will then join her and the rest of the month will be spent in an automobile tour through Southwest Texas, Boerne, Kerrville, Fredericksburg and other resorts, attractive to tourists, will be visited.

* * *

MISSIONARY NOTES.

We closed a most profitable meeting at Walker's Creek on Sunday night the 17th, preaching at nights for more than a week, the church was somewhat revived and its fellowship strengthened, about $75 was raised for various purposes, of this amount $30.15 was paid to Associational Missions and $5 more was pledged.

Many requests were made for prayers and one splendid young man was happily converted. The church unanimously called a Brother Kelly of Waco for Pastor, my how much that really means for Walkers Creek. "Things are getting better."

Monday the 18th, we conducted the funeral of Miss Janet Louise Allday at Jone Prairie, she was born April 14th, 1878, and was converted at the age of 14 and lived a devoted Christian life and an honored member of the Jones Prairie Baptist church—till God called her to heaven.

She was also a worthy member of the O. E. S. Chapter, and one of the faithful teachers in the Sunday school giving her full time in service to God and humanity.

Her body was gently lowered into a grave in the Jones Prairie cemetery in the presence of a large congregation of relatives and friends and the floral offerings were many and beautiful.

On Thursday night I preached to an overflowing crowd at Curry School house and arranged for a revival meeting there in July.

On last Saturday and Sunday I was with the Saints at Gause, this church is also, in quest for an efficient pastor.

The outlook is more hopeful, our progress is slow but is evident, the spiritual health and complexion of our churches are better and their appetite is improving, while some of our brethern still fill their "ecclesiastical" stomachs out of the "husk" barrel,and are of very little use.

To be explicit, we need men who are willing to pay the price in the school of Heaven for intelligent soul-winning instead of (dis) gracing the circles of high "sass-iety" by indulging in 42 or 44 and patronizing the picture shows and Sunday parties, picnics and base ball for past time and entertainment at the expense of their christian manhood.

Surely, but few of us are guilty but the preacher, deacon or laymen who practice such things are not the ones on whom you can depend to do personal work in winning the lost during the revival season, nor the ones who bring the greatest comfort to the pastor in his work or to the sorrowing and suffering ones of earth.

E. L. SPRINGER.

* * *

PRESBYTERIAN CHURCH NOTES

Sunday morning at the Sunday school hour the little banks given to the children at the beginning of the quarter will be brought in and apened. The money thus saved will go to the building fund.

The Lords Supper will be observed at the 11 o'clock service, after the morning sermon. The session of the chuch will meet at 1:40 for those who desire to unite with the church.

There will be no evening service on account of the meeting at the Methodist church.

H. R. McFadyen, Pastor.

* * *

CHRISTIAN CHURCH.

Bible School 10 a. m.

Preaching 11 a. m. and at 8 p. m.

We hope to meet every member of this congregation and all of its friends next Sunday.

T. F. WEAVER, Pastor.

* * *

BAPTIST AUXILIARY.

Circle No. 4, of the Baptist Auxiliary was the only Circle to hold a meeting Monday afternoon.

This group met with Miss Lillie Mag Jeter for mission study.

Mrs. R. C. White led a very interesting study which was enjoyed by 9 members and 1 visitor.

The hostess served punch and cake.

* * *

PRESBYTERIAN AUXILIARY.

Mrs. Henry Sapp was leader for a study of foreign missions in the Presbyterian Auxiliary Monday afternoon. The meeting was held in the church opening with devotional and business sessions led by Mrs. Lu Meyers.

* * *

MISSIONARY SOCIETY.

Mrs. R. H. McIntosh led a Bible study for the Methodist Missionary Society at their last meeting, held Monday afternoon at the church.

COMMERCIAL CLUB MEETING.

Minutes of the Cameron Commercila Club meeting of Friday night, June 22nd:

The following answered the roll call:

Officers:—Oxsheer Smith, vice president; B. F. Bonds, treasurer; Irvin N. Clary, acting secretary.

Directors—J. T. Parma, W. O. Triggs, R. H. McIntosh, John E. Mangum, W. O. Newton, S. A. Cottle, F. C. Fahrendorf.

Committee Chairmen—J. W. Coleman, W. M. Cobb, C. R. Phillips, F. S. Lesovsky, F. E. Jackson.

Minutes of last meeting were read and approved, Oxsheer Smith, presiding.

W. O. Newton reported collections for July 3rd celebration progressing satifactory.

R. H. McIntosh spoke of a recent trip over Texas and declared most impressively the fact that Cameron was the busiest place he had seen.

Good roads committee reported Silver City-Boeker's corner road completed. Approximately $500 left over from this project was turned over to the Committee to assist in extending the same road to Vogelsang's corner. A resolution was passed thanking the good roads committee and Mr. Avriett and the Commissioners' Court for their splendid work in this connection. The good roads Committee was requested by the Club to investigate the proposed State and Federal control of certain highways which is receiving state wide attention at this time and report their findings to the Club.

The Chaiman expressed his approval of making good the amount of Park permanent improvement funds used for promoting the ball club and F. E. Jackson was requested by the Club to ascertain just what amount was thus expended that the Commercial Club could see that this amount, said to be about $500 was properly raised.

CAMERON COMETS DEFEATED IN FAST GAME BY ROSEBUD.

Cameron, Texas, June 25.—The Rosebud Roses defeated the Cameron Comets in a pitchers battle between Stokes and Ludwig on the local diamond here this afternoon by a score of 4 to 2. The Comets scored in the second inning when "Country" Williams parked onewith a man on second. All of the visitors runs were the results of errors.

The score:	R.	H.	E.
Rosebud	4	5	1
Cameron	2	5	4

Ludwig and Heath. Stokes and Rainey.

CAMERON GIRLS WITH SACRED CHORISTERS.

The names of two Cameron girls, Misses Louise Adams and Olive Henderson, appear on the roster of the Baylor College Sacred Choristers. This is a recently organized choral club at Baylor under the direction of Mrs. E. C. Ely and Terry Anderson. The Choristers sang last Sunday morning at Bell Plains, a rural community in Bell county, and expect to visit other rural communities during the season. Miss Adams is the leading soprano and Miss Henderson is the violinist.

CAMERON MUTUAL LIFE INSURANCE ASSOCIATION.

C. W. L. Shaeg secretary and treasuer of the Cameron Mutual Life Insurance Association announced Monday that the Association now has 575 members and that the goal of 1000 members by October 1, is practically assured.

While this announcement is made primarily for the information of the members of the organization, it will be of general interest as the company is made up of local men.

HOW THE COMETS STOCK UP.

ROSEBUD DEFEATED IN SLUGGING MATCH BY CAMERON CLUB.

Rosebud, Texas, June 26.—The Cameron Comets defeated the Rosebud Roses on the local field this afternoon by a score of 9 to 2.

The features of the game today were the hitting and pitching of Lefty Odom of the Comets, who got 3 hits outof five trips to the plate and the hitting of Doyle, with four out of five. Pierson, 3 out of 4, and Spear, of the Roses with 3 out of 4. The fielding of the Comets was perfect.

The score:	R.	H.	E.
Rosebud	2	10	4
Cameron	9	14	0

Gore, Alford and Heath. Odom and Williamson.

CAMERON COMETS MEET KELLY-BONE IN BELTON JULY 4.

Belton, June 26.—Base ball fans of central Texas will be privileged to see the Cameron Comets and the Kelley Bone players from Waco in action here on July 4 instead of a game with the Cameron Comets and Jacksonville, it was announced here today. The change from Jacksonville to the Kelly Bone team was occasioned by the fact that Jacksonville disbanded and the greater part of their players have gone to Arkansas.

The Kelly Bone team is considered one of the best semi-professional teams in the state and will make an excellent match for the fast Cameron Comets. It is very probable that Jake Freeze, Baylor star twirler will be on the mound for the Kelly Bone team.

The local diamond is to be put in excellent shape and one of the fastest games ever played here is anticiuated.

ROSES DROP FAST PITCHER'S BATTLE TO CAMERON COMETS.

Cameron, Texas, June 27.—The Cameron Comets came back strong today and defeated the Rosebud Roses on the local diamond by a score of 3 to 1. A large crowd that packed both grandstands witnessed the game, a large number of Rosebud fans having accompanied their team.

The game was a pitchers battle between Mac Severn and Ray Benge. The Comets hurler struck out 13 of the Roses and allowed but 3 hits, one a home run by Speer. The home run came n the seventh and was followed by a single by Auler but Benge struck out the next three men to face him. The Comets secured 4 hits off of Severn and scored their first run in the seventh and the other 2 in the eighth.

The score:	R.	H.	E.
Rosebud	1	3	2
Cameron	3	4	2

Sever and Heath. Benge and Williamson.

THE NEED OF TENNIS COURTS AND A TENNIS CLUB IN CAMERON.

We have paid much attention to our public park and to the play ground equipment for the children, but we have given little attention to the recreation for older boys and girls. Not only should we give some attention to the recreation of the boys and girls but men and women of all walks of life should take part in some form of an outdoor sport.

With this idea in view a tennis club is being formed in town now and it is desired that all who are interested join this club at once. A membership fee of five dollars is charged, this money from the membership fees is to be spent in the construction of good courts in different parts of the city. At present three good courts are under construction at the Yoe High School. It is hoped that these courts will be ready for use in ten days.

It is going to cost quite a bit of money to construct these courts so we have to get many new members signed up. Several have already joined, but more members, more tennis courts, and that is one thing we need in Cameron.

If you are interested see Harleigh McGregor or L. Van Perkins.

BAND CONCERT.

The following program has been arranged for Friday evening, at 8:15 by the Cameron Municipal Band at the City Park:

Royal Hussars, march—K. L. King.

Imperial Overture—C. J. Rockwell.

Selection from "Prince Charming" —K. L. King.

The Night Riders Patrol—Will Huff.

Twilight Echoes, serenade—H. C. Miller.

Peggy Dear, fox trot—Freed, Arnheim and Lyman.

The Stars and Stripes Forever—Sousa.

CARD OF THANKS.

We wish to thank our friends and neighbors for the kindness and sympathy extended us in our recent bereavement.

MRS. LUTHER DAVIS and Family.

MARRIAGE LICENSES.

B. F. Griffin and Miss Ella May Griffin.

Johnnie B. Oliver and Miss Thistle Smith.

Lewis Michalka and Miss Mary Bauer.

Lonney Childress and Lula Williams.

LUTHER DAVIS.

Luther Davis, aged 67, died at his home in this city, Thursday, June 21, at 10:15 a. m., Rev. R. C. White, pastor of the Baptist church, conducted the funeral services at the home Friday morning at 10 o'clock and the interment followed at Oak Hill Cemetery.

Mr. Davis had been in failing health for some time. He was born and reared in Milam county in the Salem-Tracy community and at one time lived in Rockdale. He moved to Cameron eleven years ago. Friends over the county will regret to learn of his death.

He is survived by his widow, three daughters and four sons, Mrs. May Della Jones, Dorothy, Harry Clifton and Edwin Davis, of Cameron, Mrs. Vernon McDaniel of San Antonio and Luther Davis, Jr., of Yorktown.

LAND SALE.

I will receive on or before Wednesday June 20, 1923, sealed bids for the purchase of real estate belonging to the estate of J. A. Ditto, deceased, which includes five lots out of the Donaldson Addition to Gause, Texas; 57 acres out of the Joseph H. Long survey and 200 acres out of the F. Ruiz Survey in Milam county, Texas. Bids may be made for the whole or for separate parcels, and any terms permitted by law will be considered. Description of said property may be had at the office of my attorneys Henderson, Kidd & Henderson, at Cameron, Texas. I reserve the right to reject any or all bids. Bids should be addressed to me at Milano, Texas, R. F. D. 1.

GEORGE DITTO,
Administrator estate of J. A. Ditto, deceased.

CATARRHAL DEAFNESS

is often caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing. Unless the inflammation can be reduced, your hearing may be destroyed forever.

HALL'S CATARRH MEDICINE will do what we claim for it—rid your system of Catarrh or Deafness caused by Catarrh. HALL'S CATARRH MEDICINE has been successful in the treatment of Catarrh for over Forty Years.

Sold by all druggists.

F. J. Cheney & Co., Toledo, O.

A TONIC

Grove's Tasteless chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

Grove's Tasteless chill Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Enrich it. Destroys Malarial germs and Grip germs by its Strengthening, Invigorating Effect. 60c

WOMEN SAVE THREE MILLION DOLLARS IN A PERION OF 5 YEARS.

Home Demonstration Work in Texas was organized in 1915, reorganized in 1917. The figures quoted below were compiled from the annual reports of this period but represent largely the work of the last three years. The reports are made from actual records kept by county home demonstration agents and by the women and girls working under their supervision.

Thousands of girls and women who could not otherwise have received instruction in home economics have been directly taught by county home demonstration agents under the supervision of state, and district agents (1) to produce poultry and other live stock, (2) to produce vegetables and fruit, (3) to can preserves, dry, and brine all surplus food products, (4) to cook (5) to sew, (6) and to earn money.

Hundreds of grls not onyl have been given home economics instruction by trained women but through demonstration work have been influenced to continue in school and to go the college, and have been enabled to do so by the winning of Home Demonstration scholarships and the earning of money with which to defray all or a part of their expenses.

The number of white women and girls enrolled in Regular Home Demonstration Clubs taught directly by county home demonstration agents in five years—63,408.

Number of negro women and girls taught by negro agents—27,165.

Total—90,573.

Number of women and girls reached directly by demonstrations, individual instruction, etc—935,582.

Number of girls producing 1-10 acres club girden approximately—40,000.

Number demonstration gardens produced outside club gardens—14,563.

Number of chickens raised—489,027.

Number of pounds vegetables and fruit harvested by girls and women (most of it produced by them)—4,865,479.

Number containers of fruit and vegetables canned and preserved—7,940,050.

Value of food production and conservation under actual supervision of county home demonstration agents—$3,241,579.54.

Federal Smith-Lever funds coming to Texas in this period—$539,595.55.

State Smith-Lever money to match this money was—$40,000.

Money used for all co-operative agricutural extension work in Texas slightly more than—$2,000,000.

Economic returns from one phase of one division of this Extension Service, as a consevative estimate, and with incomplete reports, more than—$3,000,000.

The economic results only of Home Demonstration Work under the existing plan of administration have demonstrated incontrovertibly that it is a practibleand efficient plan.

R. I. McCALLA DIES FROM APOPLEXY.

R. I. McCalla, a former resident of Cameron, died at his home in San Antonio last Thursday night at 9:15 o'clock.

Mr. McCalla was deputy County Collector of Bexar county, a position he had filled for the past fifteen years, but was having his usual summer vacation at this time. On Thursday afternoon, he walked out to the ball park, only a few blocks from his home, saw the game, and was returning home, in company with a friend, seemingly in his usual health, when he suddenly dropped, unconscious to the side walk. He was carried immediately to the Robert B. Green Hospital where it was declared he was suffering from a stroke of apoplexy although he had never experienced such attacks before. He was removed from the hospital to his home where he died at 9:15 Thursday night. He was buried in San Antonio Saturday morning at 10 o'clock.

Randolph Irion McCalla was a native Mississippian. He moved to Cameron about the year 1880. Soon after locating here, he was admitted to the bar and practiced law in this city a number of years. He was a member of the law firm of Henderson, Henderson and McCalla, with late Judge John N. Henderson of Dallas and our present townsman, T. S. Henderson. Later, he represented both the county and the city as prosecuting attorney. He was married in 1894 to Miss Hope Lynn Bassett of Dallas, a daughter of the late Benjamin Bassett, a well known Texas Jurist. During his residence here, Mr. McCalla made many friends who sincerely mourn his loss.

He moved to San Antonio about twenty years ago and had been an employe of Bexar county for the past fifteen years, as stated above.

He is survived by his wife, two sons and one daughter, Kenneth, Randolph, Jr., and Miss Kathryn McCalla, all of San Antonio. Besides these he leaves three brothers and two sisters: J. F. McCalla of Harlingen, Texas, T. D. McCalla of Corith, Miss., Dr. L. P. McCalla of Boise, Idaho, Mrs. Cooper Sansom of Georgetown and Miss Margaret McCalla of Cameron. Other relatives in Cameron are a nephew and a neice, Fred C. Thompson and Mrs. R. L. McCown, and Mrs. John Watson, who is a sister of Mrs. McCalla. Judge Watson left Cameron Thursday night after the message was received announcing his death and was present at the funeral Saturday morning.

THE USED CAR NOW FIT FOR ANY COMPANY.

"The used car can now be said to have eached a permanent level of value and popularity," says G. C. White of the White-House Motor Co.

"The thousands of happy ownes of good used cars today are living examples of the fact that a good used car has real investment value. The reputation and real worth of the used car has been steadily enhanced by the attention reputable dealers have given to it. But the price has remained far uder its actual worth.

"In times of car scarcity, the real worth of a good used car is apparent. Intelligent buyers have been known to pay practically the price of a new one for a used car when delivery of a new car of the same make was too long deferred.

"The dividing line between new and used cars is steadily vanishing. The fact is now accepted that some used cars are better investments than some new ones."

THE STATE HIGHWAY AID DISTRIBUTED.

Austin, Texas, June 21.—As a result of the monthly meeting of the state highway commission.

An allotment of $180,000 was made to Webb County for laying of a bituminous top on Highway No. 2, the so-called San Antonio-Laredo Road, extending from Laredo north to the county line, a distance of 34 miles. For completing the gap on Highway No. 2, between the city of Austin and Round Rock, an allotment of $19,846 was was made to Travis county.

The Commission awarded Tarrant county. $124,500 on Highway No. 10 and $37,500 on Highway No. 40. Bexar county was alioted $7,609 on Highway No. 4.

Additional counties receiving aid are: Smith, $75,000 on Highway 16; Ellis, $10,179 on Highway 14; Navarro, $36,495; Bastrop, $10,500 on Highway 20; Fanninv $26,00 on Highway 5; Uvalde, $22,000 on Highway 3, east of the town of Uvalde, and $36,000 west of Uvalde; Milam $20,000 on Highway 44; Leon, $15,000 on Highway 32; Falls, $15,000 on Highway 14.

SULPHUR CLEARS ROUGH, RED SKIN

Face, Neck and Arms Easily Made Smooth, Says Specialist

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation begins at once to soothe irritated skin and heal eruptions such as rash, pimples and ring worm.

It seldom fails to remove the torment and disfigurement, and you do not have to wait for relief from embarrassment. Improvement quickly shows. Sufferers from skin trouble should obtain a small jar of Rowles Mentho-Sulphur from any good druggist and use it like cold cream.

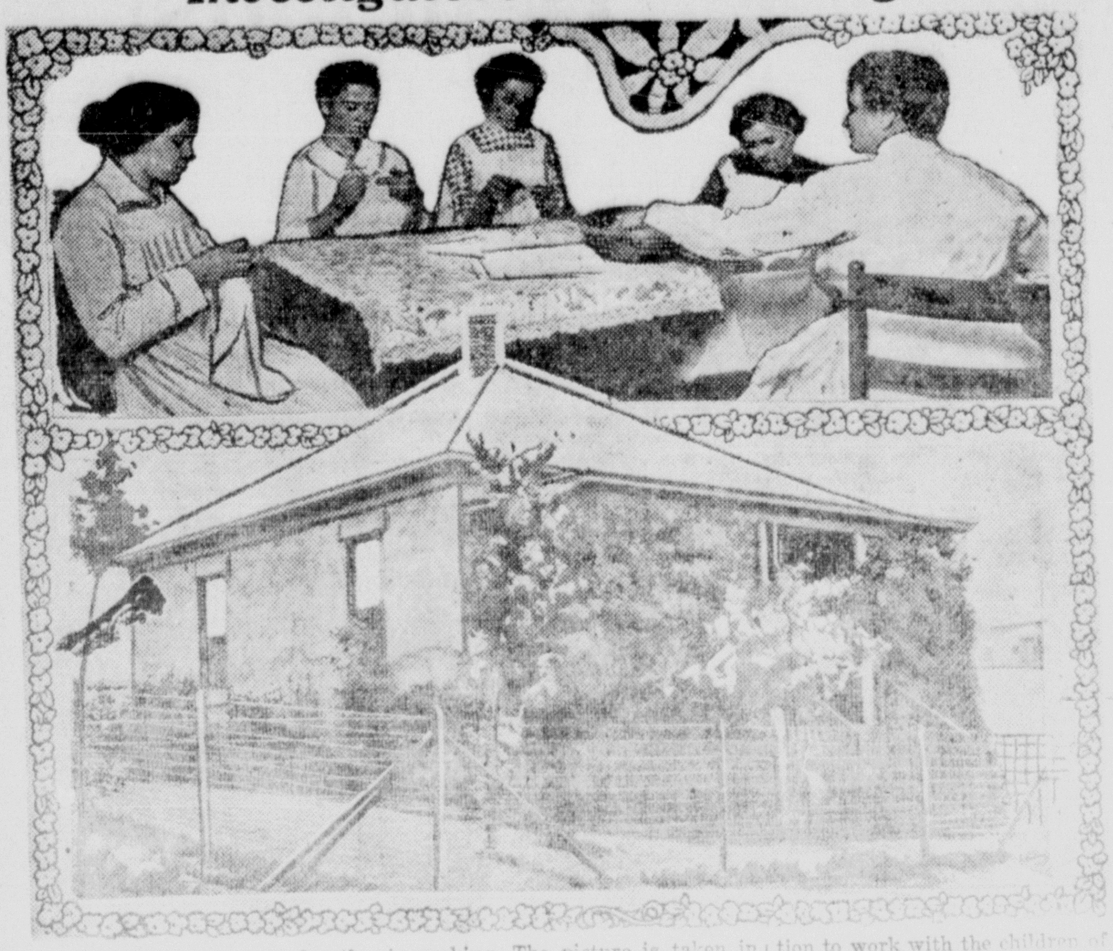
Furnish Special Garages For Cars of Mine Workers In Soft Coal Regions; Investigators Find Cooking Classes



The special investigators for the United States Coal Commission, engaged in looking into living conditions in the coal fields, are meeting with a great many surprises.

Any preconceived notions that the miners are poor, down-trodden folk, eking out a bare living by hard and dangerous toil underground, are being eradicated by such scenes as are pictured above.

The upper picture is the garage where the miners of the Utah Fuel Company, at Somerset, Colorado, keep their cars. Evidently the miners have taken a leaf from the book of their knowledge of underground work, as the car seen entering is going down an incline to the lower level, where most of the cars are stored.

The lower picture shows the daughters of miners being instructed in cooking. The picture is taken in the Visiting Nurses' Instruction and Training Class Headquarters. At the right is the instructor.

The primitive old mining camp is a thing of the past. Instead, at practically every bituminous coal mine now operating are modern, clean, sanitary, attractive communities, made up of pretty houses, most of them with gardens. There are schools of the first order for the children of the mine workers. Teachers for these schools are carefully selected and are paid the highest scale for their services.

The visiting nurse gives young mothers needed advice on how to take care of infants. School children are instructed in the care of their teeth and their eyes.

The duties of the visiting nurses extend to various other fields, ranging from physical culture instruction to work with the children of the miners on the playgrounds. Their activities include classes in science—as pictured—classes, sanitary inspection, and instruction, and comforting of all kinds.

The nurses work in close cooperation with the company doctors in mining communities, isolating them, even to the extent of bedside nursing in emergency cases. They not only give instruction in their classes of various sorts, they show exactly what must be done.

The visiting nurses do not wait for calls. They are constantly circulating throughout the communities and in this way have been instrumental in preventing through early discovery the spread of disease which otherwise might have become epidemic.

TEXAS WAKE UP.

The other twelve state have flung down the challenge to Texas to either organize a representative number of cotton farmers in the Texas Co-operative Marketing Association or have envoys sent from accross the Mississippi to do the task for her.

Texas originated and perfected the first co-operative cotton association. Texas men, realizing that in "union there is strength" organized the other cotton producting states and today there is a solid south behind the movement, the several cotton state associations affiliating and forming the American Cotton Growers Exchange.

And yet today Texas stands at the bottom of the list with only 11 per cent of her enormous cotton crop under contract. North Carolina leads with 53 per cent.

Texas, the leader, which should be the strongest, is the weakest link.

A state wide campaign is on with 100,000 members as the obpective.

Can Texas organize unassisted?

Bell county has answered with nearly 1,000 new members.

Williamson county with 600.

Travis county with 500.

What is Milam County going to do about it?

Co-operative marketing is not new or strange or untried. For centuries the farmers of the world have been organized in one way or the other with the end in view of acquiring for themselves middlemen's profits. This is partly the aim of the modern co-operative marketing system, whose fundamental purpose is eliminating the "dumping process and substituting therefor the profitable "merchandising" plan. The perfection of this plan adopted by the Texas Farm Bureau Cotton Association is the fruit of long and infinitely varied experience and the evolution has been gradual.

This modern co-operative marketing organization is a highly technical form of business institution. It is devised for the most successful marketing of farm products in the interest of the farmer members and nothing else. The govenrment of the operation of the Texas Farm Bureau Cotton Association is always placed in the hands of an annually elected Board of Directors, nominated and elected by the membership. In selecting directors, each member has only one vote and only one regardless of the number of bales of cotton he may produce. This central business organization obtains and maintains the services of the best trained men in the field of distribution and marketing.

A legal and enforceable contract between the association and hte member is a prerequisite to the success of all concerned. By the terms of the contract the member is bound to sell and deliver his cotton over a period of years and the Association is bound to receive, grade, store, ship and sell the product to the best possible advantage, where ever a market can be found and to pay the member for his commodity the average price received. By selling over a period of a year, instead of glutting the market for seventy days, a higher price is received and the cotton is sold according to grade. Last year the members of the American Cotton Growers Exchange handled between 800,000 and 1,000,000 bales of cotton, merchandising the same throughout a period of months at an average price of 25 cents to 28 cents per pound.

The co-operative marketing plan has made of California one of the richest states in this country. Ten years ago Fresno, Calif., was one of the most desolate towns in existence. The rasin growers organized and sold co-operatively and today Fresno leads the list of prosperous rich towns in the United States .Co-operative Marketing increased the purchasing power of the growers and today their modern homes, fine highways, automobiles, rural schools and movie houses are evidences of the transforming power of c-ooperative marketing.

RULES TO RESPECT THE FLAG.

Rules for respecting the American flag and a few "don'ts" that are well to remember are listed in a pamphlet sent out to newly naturalized citizens by the Ladies' Auxiliary of the Alamo Post, American Legion, and are as follows:

The flag shall never be festooned, always hung flat or open.

From private flagpoles flag may fly all hours day and night.

When flag becomes torn and soiled from use, it should be replaced by a bright one.

As an altar covering starry field should be at the right as you face altar.

Before you half-staff the flag and before you haul it down, always run it to the staff head.

No other flag should be hoisted above the American Flag except the white triangle and blue cross of the church pennant.

When flag is carried with other flags in a parade, the National colors claim place of honor at the right of the other flags and is never dipped.

When you drape American flag with that of another country or the banner of an organization, always place the National colors at the right.

When the flag is hung in a horizontal position, the starry field is placed on the upper left as you face the flag. When it is hung in a vertical position the starry field should be on the right.

The man who is in uniform salutes in military style when Flag goes by. The man in civilian clothes takes off his hat with his right hand and places it against the left shoulder, standing at attention. Women should stand at attention.

DON'TS

Don't sew Flag on a soft pillow.

Don't use Flag as a silk handkerchief.

Don't use Flag in any form of advertising.

Don't wear Flag as a costume or in any comical way.

Don't arrange Flag in any fantastic designs or use it as bunting.

Don't let Flag drag in dust or touch ground (even at unveiling.)

Don't use Flag as a tablecloth. A Bible may rest upon it—nothing else.

Don't drape the Flag below seates of a platform or below a person sitting.

Remember—The Stars and Stripes always claim the place of honor, the forefront, the highest elevation. When the "Star Spangled Banner" is played, face music or Flag and stand at attention.

YOUTH NEAR HILLSBORO TURNED FROM MARRIAGE ALTAR BY GUN DISPLAY.

Millsboro, Texas June 23.—Willie Tripp has not married yet. He got his license this morning and went to claim his bride. Officers here say he was met by a relative of the bride, who had a shotgun in hand. Willie hurried off, but returned. Shots were fired, but nobody was hurt. Willie departed without his bride. A charge of aggravated assault has been filed against young Tripp, and Sheriff E. H. Wilson says he has been assured by the boy's uncle that he will be surrendered to the officers here Sunday. The trouble took place five miles north of Hillsboro, near Itasca.

OFFICE DOG

Howdy Pals, a barber can slap a hot towel over your face and stop you from talking. But you'd better not try such procedure on your wife to stop her from talking.

"Mere Slip of a girl," remarked the late Cameron man as Elisie Struck the pavement.

Gather ye kisses while ye may,
Time brings only sorrow;
For the flappers who flap so freely today,
Are the chaperones of tomorrow.

When one girl says of another: "You will have to admit that she is pretty," he does it as a justification of her sex.

A hick town is a place where loyal churchmen brag that their parson shaves every morning.

It is hardly fair to judge any woman's complexion by the package it comes in.

A man who never accomplishes anything looks the part.

Congress is elected to govern and should not be permitted to pass the buck to commissions.

It is hard to keep a good weed down.

That ars men eager to win love often find it hard to hold money on their pay day.

The trouble with the fool killer is that he is apt to be the wrong one.

Even as you eat, says an ad. Is that the way you are a bad one?

Place a high value on yourself and then prove that you are worth it.

It is reported that motor cars are to be made lighter. This ought to encourage the people who are in the habit of being run over.

Mine was a pleasant cottage home,
With roses 'round the door;
Last night it bured, and tho insured,
I'm feeling awful sore.
The doctor tells me the complaint
Was neither strange nor new;
'Twas just a case of shingles,
Complicated by the flue.

A metropolitan taxicab testifies that "fares" sometimes offer as high as $25, to be taken to a booze emporium. And they can't give the old excuse that they were "driven to drink."

A good salesman is often spoiled in the making.

The trouble seems to be that Mexico can't get along without American capital and can't get along with it.

This is How It Started: Wife (reading). "It says here that sheep are the dumbest of all animals."

ROBS CALOMEL OF NAUSEA AND DANGER

MEDICINAL VIRTUES RETAINED AND IMPROVED—DANGEROUS AND SICKENING QUALITIES REMOVED PERFECTED TABLET CALLED "CALOTABS"

The latest triuph of modern science is a "de-nauseated" calomel tablet known to the drug trade as "calotabs." Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity,—purified and refined from those objectionable qaulities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water,—that's all. No taste, no griping, no nausea, no salts. A good night's sleep and the next morning you are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original, sealed packages, price 35 cents for the large family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs. 9 13c

GAME CALLED AT 4 P. M.

"Come and hear, all ye that fear (reverence) God, and I will declare what He hath done for my soul."

---Psalm 66:16

Mr. T. B. Jones, commonly known as "Tom Jones," a native of Milam county, Texas, and formerly Sheriff of Robertson county, for years Mayor of Calvert, and for the last thirteen years Justice of the Peace for the Precinct in which Calvert is situated; his home during these years. The same identical man 42 years ago was tried in the Cameron court house for a serious charge, and the Jury rendered a verdict of "Not Guilty." Judge Spence Ford, presiding; Capt. John B. Wolf, sheriff; John C. Oxenford, District Clerk—Is to address the citizens of Cameron and Milam county at the Court House in Cameron at three p. m. Monday, July 2nd, 1923.

His subject will be "THE NEW BIRTH, or BORN FROM ABOVE." "That which is born of the flesh is flesh, and that which is born of the Spirit is Spirit."

Mr. Jones, to adopt the expressions of Revs. Milton and Oscar T. Hotchkiss, Methodist Ministers, was powerfully converted. He wishes to let the world know of the way of his salvation.

Mr. Jones is just a plain man, a layman of the Baptist church at Calvert, Texas, is no M. D. D. D. or L. L. D. However he does not make light of these great and necessary sciences, but that all the theology he knows comes from God's word, the Holy Bible. He affirms the New Birth of Spiritual Birth is as real, and as necessary as the physical. First the physical then the Spiritual.

Come and hear a man whom Satan couldn't buy. Come and hear a man who has a real God given good will to all men and intense good will to every boy and girl. He especially invites the Bar and other professional men of Cameron and Milam county, and every Skeptic, and every real seeker after God and God's great message to men.

No collection. No expense. Absolutely free.

LOCAL AND PERSONAL

Trent Newton, for the past two years city salesman for the McLane Grocery Company, of Cameron, has resigned this position and leaves, with his family today for Houston where he will work for the R. M. Gordon Compay of that city. Mr. Newton stood well with his company and they have expressed sincere regrets over losing so valuable a man. He is well liked by the business men of Cameron and has the best wishes, not only of these friends, but of many others in Cameron, as he enters upon his new work. His successor with the McLane Company has not yet been named.

All kinds of Rugs and Art Squares at the
Exchange Furniture Co.

Mr. and Mrs. Hubert Hefley are scheduled to leave early next week for their summer vacation.

JUNETEENTH EATING CONTEST TOTALS TO THREE NEGROES.

Reports of three deaths as a result of an eating spree on the Juneteenth at Bartlett were verified by telephone last night in conversation with Bartlett physicians. Three negroes died as a result of overeating on the negro holiday, June 19, it was stated authoritatively, and it was reported that several others were seriously ill, with rumors of two other deaths from the same cause. The names of the negroes could not be learned. All three died on June 20, the day following the celebration. The first death was a result of eating roasting ears, it was said. The second death was caused by eating fish and ice cream in large quantities—small quantities of this combination often being sufficient to produce death. The third death verified was caused by a cobination of of overeating and an acute case of appendicitis.

FIRST WEDDING IN THE NEW METHODIST CHURCH

The event of the week in Cameron's social calender, was the Joslin-Silber wedding at the First Methodist church Wednesday evening at 8:30 o'clock.

Paul George Silber, a young architect of San Antonio, came to Cameron a few short months ago to build a handsome church. He wrought well and when the work was finished he found that he not only loved the church, the product of his brain and heart, and hand, but he loved also, one of her fairest daughters, Jewel Zemary Joslin, so he stayed to woo and to win. This task finished, if task it may be called, friends were bidden Wednesday evening to see these two young lives united in the holy bonds of matrimony, that together they might build still fairer temples. Long before the appointed hour, throngs of friends assembled and eagerly awaited the coming of the bridal party, the first to enter the church since its completion. The building seats 1500 people. It was filled to capacity, possibly the largest gathering for any wedding occasion in Cameron. Deft hands, under the direction of Mrs. Giles L. Avriett, assisted by Mrs. W. A. Bonds, had placed a most effective decoration around the altar. The two chancels were twined with vines and queens wreath. Pockets filled with crepe myrtle rested against the rail, Floor baskets and polychrome vases filled with crepe myrtle and handsome palms were placed in artistic order within the chancel space.

Back of the altar, plumosa fenrs were banked in pyrimidal style and topped with candles which shed a soft light over the entire scene. This decoration added just the needed touch to the beautiful edifice to make a perfect setting for the nuptial vows.

At the hour appointed, Mrs. Ira F. Key, attired in orchid crepe and wearing a corsage of pink carnations, took her place at the pipe organ. A quartet, seated in the balcony, sang "Believe Me, for all those Endearing Young Charms." This quartet was composed of Mrs. C. W. Read, Mrs. W. B. Levy of Rogers, W. A. Bonds and M. G. Cox.

Miss Gladine Robison of Georetown, a cousin of the bride, entering from the left of the choir and taking a central position, sang, "All for You." Miss Robinson's gown was of apricot taffeta and her corsage, carnations.

The song finished, the organist sounded the wedding march and the bridal party entered, Rev. Ira F. Key, the celebrant, the groom and best man, J. F. Hickman of Houston came from the Pastors Study on the left of the choir.

The ushers, R. B. McCrum of San Antonio and Newton Robinson of Georgetown came next, followed by the maids, Misses Susanna Jackson in sea-foam taffeta, and Esther Sontag of Temple in changeable lavender taffeta. The maid of Honor was Miss Ella Joslin of Washington, D. C., a sister of the bride, gowned in baby blue taffeta. Each of the maids carried shower bouquets of pink carnations. Julian Merrell Key, four year old son of Rev. and Mrs. Ira F. Key, carried the rings on a white satin pillow. He was followed by little Beth Mangum and Cathrine Monroe in dainty white organdy, who scattered roses for the bride as she entered on the arm of her brother, Robison Joslin.

The bride wore a Paquin Model of imported French crepe with real Chantilly lace and carried as "something borrowed" a real lace handkerchief carried by Mrs. George Childress in her wedding many years ago. An heir loom pin fo her mother's, constituted the "something old." Her veil was caught with real orange blossoms and her bouquet was composed of sweet heart buds and valley lillies.

After the impressive double ring ceremony, the bridal party and out of town guests were extended an informal reception at the home of the bride and served a buffet luncheon.

Mr. and Mrs. Silber started a little later, on their wedding journey in a Chevrolet Coupe, the groom's gift to the bride.

Out of town guests were: Dr. and Mrs. Gray and Mrs. Johnson of San Antonio, Mr. and Mrs. J. R. Wright, son and daughter of Waco, Mrs. F. F. Ryan, Mrs. Ida Gill of Wco, Dr. Delbert Childress, Giddings, J. M. Burchfield, Temple, and Mr. and Mrs. Watt Skinner, Mr. and Mrs. W. B. Ievy, Rogers, Mr. and Mrs. H. H. Camp, Mr. and Mrs. W. H. Camp, Misses Isabel, Lois and Lucille Camp, Mrs. Laura Felton, Mr. and Mrs. H. E. Felton, San Gabriel, Mrs. I. N. Robinson, Andrew Robinson of Georgetown, Miss Roberta Pace, Bynum, Mr. and Mrs. Samuel Mewhinney of Buckholts.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

Hall's Family Pills for constipation.

BE IN CAMERON JULY 3 PICNIC, BARBECUE, MUSIC.

(continued from page one)

Cheek Neal Coffee Company. John Mangum, of the McLane Company has made all arrangements to supply the enormous crowd expected to be present at the barbecue.

Plates and cups by the gross have been ordered by the Serving Committee, and there will be enough eating and drinking utensils to serve an army. The Grounds Committee will furnish boxes for the disposal of waste so that the park will not be littered up, and the Serving Committee will have stations for collecting the tin cups, which will be returned to the sellers at a considerable saving to the Committee.

Everything has been planned. Everything is being worked out according to the well-laid plans. Everything will go off Tuesday according to schedule, and Cameron will have the greatest day of its history. If you haven't been appointed on a committee it is because you have not offered to work. Hunt up a committee chairman, give him you name and offer to do your share toward making Cameron's Prosperity Picnic a complete and unqualified success.

THE GOOD EATS.

Mrs. Jeff T. Kemp, chairman of the soliciting committee, and the other members, Mrs. B. Slocomb, Mrs. R. S. Boykin, Walter Sharpe and S. A. Cottle, are going to see to it that there will be plenty of good eats to go with the barbecue, hot coffee and ice tea which other committees are responsible for. To this end, they have divided the town into districts, placed a capable chairman over each district, and added a number of names to the original committee. Some member of this committee will call at every home in Cameron and ask the good house wife to send to the Park by 10 o'clock Tuesday morning a basket containing one large cake, 4 pies, and a bowl of potato salad, (if for any reason, you cannot send the full quota asked, send whatever portion it may be convenient for you to prepare.)

In case you are away from home when the solicitor calls, this notice serves as an invitation to you to be one of the hostesses on this occasion by sending the above articles, thereby helping to keep Cameron's record for hospitality up to the present high standard.

The following compose the soliciting committee as it now stands:

Mrs. Jeff T. Kemp, chairman; Mrs. B. Slocomb, Mrs. R. S. Boykin, Walter Sharpe, S. A. Cottle, A. F. Mitchell, E. P. Atkinson, Charles Pollard, Mesdames A. N. Weems, Frank Mondrik, Jennie Werner, Harvey Tate, W. H. Tucker, J. R. Crawford, J. G. Vest, George Childress, James Neinast, Conn Miller, Lena Baskin, Mack Harvey, Gus Evans, Charles Pollard, Leo, Wilkerson, Edwin York, Hugo Slaughter, H. F. Smith, Jr., J. W. Coleman, R L. Batte, Sr., R. Beard, Joe Mohler, M. Mohler, F. E. Beach, Don Slocomb, Wm. Henderson, Misses Winnie Henderson, Clara Thomas, Mary Burns, Maurine House.

According to Captain Joe Lndsey, the fire boys are busy this week making preparation for their part in Tuesday's big celebration. The race track is being put in order and when completed will be one of the finest tracks in the state. Twenty teams from different parts of Central Texas are expected to participate in the races and to compete for prizes aggregating $350.00.

The fire boys will have something doing all day. Don't fail to see them in their various stunts, water foot ball, reel races, etc.

It is all free and all fun. The boys will meet all trains and guarantee a good time and plenty to eat.

WHAT IS A CIRCUS WITHOUT A BAND?

For that matter who would think of having any kind of a celebration without music?

To help insure the success of this gigantic picnic of July 3rd, music will be furnished by the Cameron Municipal Band and the Cameron Pioneer Band. Leading the parade will be the Cameron Municipal Band featuring the Cameronian March. Near the center of the parade will be the Cameron Pioneer Band featuring some of Mr. Parma's own marches. At the close of the parade, which will bring us back to the City Park, there will be a few more numbers by the bands followed by the massed singing of America, directed by Miss Nell DuBois.

During the first half of the dinner a concert will be given by the Cameron Municipal Band followed by the Cameron Pioneer Band. The races will also be featured with music and at four o'clock the bands will march to the ball park there to play alternately during the game.

P. H. MEDSKER.
Chairman of the Music Committee.

RADIO FLASHES.

Several were injured this morning when two street cars collided with an interurban at Dallas.

Robert Lansing one time Secretary of State is seriously ill with diabetes at Washington.

Ambulance overturned this morning at Dallas and three persons were injured.

President Harding passed Pocatello, Idaho this morning on his trip westward.

Mrs. A. D. Hannock an aged lady burned to death this morning at Bonham.

Mr. and Mrs. F. A. Marek have returned from Medina Lake, San Antonio and New Braunfels where they spent their vacation.

Delicious!

Better Than That!

It's the kind that really satisfies! Our Ice Cream has a real creamy taste—we use the best ingredients and the purest flavorings. Its sweetness will please you!

Especially tasty are the brick combinations! Many with iced fillings, others with cruched fruit layers. Whatever your particular flavoring may be we can satisfy your desire.

COUNTY NEWS

OUR NEW LINOTYPE.

The publishers of the Champion are very glad to be able to announce the arrival and installation of their new Linotype machine, with which we will be able to issue better paper This addition to our equipment i made at a considerable expenditu of money, and this has been mad possible for us by and through th splending patronage given us by the merchants and business men of Thorndale and the people of this community, the people of Thrall, San Gabriel and Sharp—all of whom have had a part in making it possible for Thorndale to have a better paper—for which we thank them heartily—each and every, collectively and separately—for their potronage and kind, generous good will, the latter of which we value more than money. We are mindful of the many imperfections in our parer and we are not so vain to think we will be able to reach perfection in many respects, a think impossible, but we do believe that the Linotype will make it possible for us to give Thorndale a better paper and one you will not be shamed to show to a visiting friend from some other town and tell him that it is "OUR" local paper. Looking to this end we thank you again for past favors and solicit your continued good will and patronage.—Thorndale Champion.

The Champion learns from Mr. W. H. Camp that the Odd Fellows in the San Gabriel community are planning a "Get-To-Gether" meeting for some time in July. They expect to have a number of more or less distinguished speakers on hand and a good time generally is assured. Lieutenant Governor Davidson will be among the speakers and a special program is being formed for the girls and boys of the community whose fathers are members of the lodge.—Thorndale Champion.

D. R. MADDOX INJURED BY FALL

D. R. Maddox sustained severe injuries to his head and back Wednesday morning while doing some work in his barn. The ladder upon which he was standing slipped or in some unexplained manner caused him to lose his balance and fall to the floor, striking his head and injuring his back in falling. Mrs. Maddox had been to take the children to the tent meeting and returned home for Mr. Maddox when she missed him from the house. She made a trip to the barn where she knew he had been at work and found him in a semi-conscious condition. She revived him and got him in the house where he fainted again before medical aid could be summoned. Rested well all the afternoon and while he suffered considerably from the concussion, no serious after-effect is looked for and he will be able to again be at his post of duty at the depot right soon.—Thorndale Champion.

"MILANO UPLIFT" WILL GET TEST.

Rockdale, Texas, June 23.—Milano Uplift Syndicate's No. 1, Mon Ashley was supdded in last Friday. This location is four miles north of Milano, and stands on a high red-iron sandstone ridge, which gives title to the name "Milano Uplift." These operators are California men, and while they have been a long time getting started since the derrick was built nearly a year ago, they have everything in fist class shape to make a deep test, not less than 3,500 feet being the objective, if necessary. Dr. H. E. Elliott and L. K. Mau are in charge of the operations. Connected with the Milano Uplift in the field is the Beverly Syndicate.

Derrick timbers and supplies with some parts of the machinery are already moving out to the Beverly Oil syndicate's No. 1, Buer ranch, just 1 1-2 miles south by southeast from Milano. This also, is to be a deep test. Headquarters of the Beverly syndicate is in Los Angeles, Cal., while T. D. Tuttle, mayo rof Beverly, Calif., with associates, is the head of the organization. Tuttle also heads what is reputed to be the largest tanery plant in the United States, situated in Boston, Mass. These two combinations of operators have given every evidence since coming into this field of being fully financed from top to bottom and of being prepared and determined to test out the territory thoroughly.

Twin-City Production company's No. 1, Bremond ranch is still fishing at 2,700 feet for lost drill stem, 500 feet of which is at the bottom of the hole. Fishing began early in March. Ralph Babcock, field manager is now in California on business connected with the development operations. This test began two years ago last March. It is about 30 miles east of the Balcones fault, and 10 miles southwest of Rockdale.

Caldwell Petroleum company's No. 1 Speckman Mound has shut down at 2,136 feet to ship in heavier rig and drill to the Woodbine sand horizon. This wilcat is 1 1-2 miles east of Chriesman, Burleson county, and got a 25-barreller at 2,136.

COUNTY COMMISSIONER ASKS OVERSEERS TO GET BUSY.

The Reporter received a pleasant call from County Commissioner R. A. Hairston Monday, who asks us to call attention of all road overseers in his precinct that now is the time to do road work.

Mr. Hairston wants all road overseers to at once begin to get busy. Warn out all hands and map out a campaign to put all roads in good shape before crop moving time. Crops are about all laid by, now farmers have a little time they can devote to this road work. Mr. Hairston states that he has a little money on hand now that can be used to buy lumber and supplies necessary for culverts and bridges, and says he stands ready to assist the overseers all he can. If you need anything or want his advice or suggestions let him know at once. Rockdale Reporter.

HARRIS-BALHORN.

A pretty wedding was solemnized at the home of Mr. and Mrs. Walter Harris Thursday afternoon at 4.00 o'clock by Rev. D. C. Wallace, uniting Miss Gertude Harris and Mr. A. C. Balhorn in the bonds of matrimony.

The bride was attired in a grey traveling suit with accessories to match. After the wedding Mr. and Mrs. Balhorn left for Waco, Yoakum, San Antonio and Corpus Christi. They will reside in Waco.

Thehome was beautifully decorated with cut flowers and ferns. Dainty refreshments were served to the following:

Mr. and Mrs. Houser of San Antonio; Mr. and Mrs. Hal Harris; Mr. and Mrs. Henry Koch; Mr. and Mrs. Randell and Mr. Turner, (Mrs. Kate Bret and sister, Miss Haining, of Hearne, Mrs. C. C. Chrismer and guest, Miss Ware of Taylor), Misses Vivian Cone, Ruby McMillan, Mildred Paterson, Thelma Simmons, Nettie Young, Anna Laura McNeil, Lilly Bell Patterson, Fay Landis, Fannie Gee, Cleone Sykes, Jane Ruth Sykes; Mrs. Richard Hairston; Mrs. Simmons; Mrs. Patterson; Mr.and Mrs. J. C. Kekel, Mrs. Joe Hollmon, Dr. Crump, Rex Marshall.—Rockdale Reporter.

Mr. Balhorn is a brother of Ed. Balhorn of Cameron and friends here congratulate the couple and wish them many happy years of wedded life.

CONSTABLE FLEMING CAPTURES A COMPLETE CORN WHISKY STILL.

Constable John Fleming conducted a personally superivsed "still hunt" last Saturday night, to which he had as invited guests Sheriff Drue Rogers of Cameron and Deputy Tom Robertson of Rockdale. Acting on information that he had been gathering for several months Mr. Fleming and party visited the home of Herman Rosenthal, about four miles northeast of Thorndale in the Liberty Hill settlemene. They arrived there shortly after midnight, and when the melee of their sudden appearance had subsided Rosenthal and his grown son were under arrest, and the officers were in serene possession of from five to eight gallons of freshly-made corn whisky, 25 gallon of mash and a 15-gallon still.

The Rosenthals were brought to Rockdale and waived examining trial before Justice Gunn, benig bound over to the Grand Jury under bonds of $1,000 and $750.

The officers found the still set up in the smoke house at the rear of the residence. It is said to be one of the most complete whisky making outfits yet captured in Milam county. The still itself is of pure copper with regulation copper worm and other attachments of the best class. Heat was generated from a two-burner coal oil stove, and when the officers made the raid the outfit was still hot from its recent use. The whisky captured was mostly in half-gallon fruit jars, much of it still hot.—Rockdale Reporter.

ROCKLADE PLANS DRILLING CAMPAIGN.

Rockdale, Texas, June 23.—W. S. O'Brannon has closed a deal for himself and associates, for the 860 acre tract owned by Wilford McDaniels of Granger, Texas, and has contractetd for several shallow wells to begin drilling immediately.

This tract lies between six and one-half and seven miles west of Rockdale on Brushy creek. One well was drilled last year on the north end of this tract by Campbell & Van Dieman of Dallas and a seven-barrel producer obtained at 315 feet.

John A. Lee of the Texas Petroleum Production company, Los Angeles, Calif., has closed a deal with Colonel Charles F. Niehaus for 100 acres east of and west of Cattail creek, south of and adjoining the W. W. Bynum and W. B. Ferguson 100 acres on which the latter brought in a good shallow producer last week at 800 feet. Consideration in the deal was $100 an acre cash bonus, the same as in the Bynum & Ferguson deal. Mr. Lee will move on drilling outfits at once.

The Bynum & Ferguson producer extends the Minerva pool 1,350 feet south of the pool's farth-ersouth settled pipe line production which was the Niehaus-Isaacs Nos. 1, 2. and 3 wells.

Starting work again after about a week's shut down, the John C. Wallace et al. No. 1, Arch Watson now is pronounced to be a "commercial producer" by John Wallace and the statement added that " we are now sanguine, we will save the hole and finish it."

Piles Cured in 6 to 14 Days

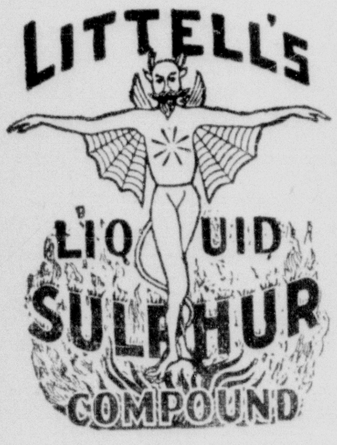
LITTELL'S



LIQUID SULPHUR COMPOUND

It is a powerful and scientific combination of sulphur and other healing agents for the relief and cure of diseases of the skin. It is especially effective in the ITCHING VARIETIES; giving instant relief from the itching and smarting sensations and by its germ-destroying properties it exterminates the microbe which is the cause of the eruption, thus curing the disease completely.

Littell's Liquid Sulphur Compound is used in all cases of Eczema, Tetter, Barber's Itch, Psoriasis, Herpes, Rash, Oak and Ivy Poisoning, also for relieving the annoyance caused by chiggers and mosquito bites.

In the treatment of ECZEMA—the most painful and obstinate of all skin diseases—it is one of the most successful remedies known.

NEWSPAPERS THE BEST ADVERTISING MEDIUMS

NOTED ADVERTSING EXPERT TELLS ADVERTISING CLUBS HOW TO USE PAPERS.

Advertising, as I see it, is nothing more nor less than Silent Salesmanship. It differs from personal salesmanship because it is necesary to say through the printed word what the personal salesman can say to the prospective buyer by word of mouth, face to face. T he personal salesman has inherent advantages over the Silent Salesman; for if the prospective buyer has an objection or does not agree with what the salesman says, salesman has not yet failed—he can correct his unfavorable impression by explaining or even changing his presentation, and will have a good chance to close the sale. But an advertisement can make no change of front—it stays put. In adveritising, then, it is necessary to write copy so state your real case; to aim at once to win the prospective buyer's interest in the product advertised; to convince him or her that the product should be bought, and if possible to convey the feeling that he or she will enjoy advantages in buying any product whatever at the store whose name heads the advertisement.

It is therefore necessary first of all to secure the very best talent available to write your advertising copy. Too often valuable space is wasted because the man that writes the advertising copy is not a good salesman in the sense of writing Silent salesmanship copy.

Most advertisers do not realize how really inexpensive advertising is, nor how economical it really is to reach thousands of prospective buyers at the least cost per buyer. Do you know that a page advertisement in any metropolitan newspaper delivered into a subscriber's home, costs on the average less than one-fifth of a cent? Think of it! A newspaper like the Atlanta Constitution, or my good friend Charile Miller's paper, the Atlanta Georgian—or Al Shuman's Fort Worth Star-Telegram—or your fine Atlantic City newspapers the Press, the Gazette, or the Union—no more than one-fifth of a cent a page delivered!

Suppose an advertiser that thinks newspaper advertising expensive should buy the white paper and have a page advertisement printed. This would cost him, even in substantial quantity, more than one-fifth of a cent alone—and then it would cost on the average from 1 to 2 cents for each page delievery. If he were to mail that page, it would cost 1 or 2 cents each, and the page would go into the home as a strange orphan without any standing what ever. Of course it would not be read, nor taken seriously anyway.

Compare that with a page in your own favorite newspaper. Thing of the standing such a paper has in your own home. It is read and reread by Mother, Father, Sister, and Brother; and then is finally read outside the family by those employed in its service. The man or the woman of the home pays from 1 cent to 5 cents a day to bring the favorite newspaper into the home as a "Welcome Guest." The publisher of that newspaper says in effect to you—"If the advertiser herein does not tell "The Truth" and the product is not as advertised, take it back to the advertiser; if he does not return your money or otherwise make good we will!" * * * Such is the result of 19 years' work of the Truth in Advertising campaign inaugurated and conducted by the Associated Advertising Clubs of the World. And, gentlemen, these are the men headed by that good advertising man and business executive, Mr. Lou E. Holland, of Kansas City, the men that you of Atlantic City are entertaining this week.

Any advertiser may buy a blank white page in any newspaper for a cost not exceeding what I have stated. But that advertiser's real problem is to fill his space with a message or advertisement so good that it will convince and sell the prospective buyers that read it. That is why I say to you, be sure to employ an advertising writer that knows how to create salesmanship-on-paper copy. There are all too few men of that sort—we need more and more of them. I know writers that have the great ability to write and illustrate an advertisement so well, a page that costs but one-ffth of a cent for the blank space has been made to sell so much mercandise that the profit per page delievered has ranged from 1 cent, 2 cents, 10 cents, $1—and on occasion up to thousands of dollars—according to the product advertised.

Take a product like Towel's Log Cabin Syrup. My good friend Frank Towle of San Francisco, tells me that the cost of advertising one can of Towel's Log Cabin Syrup is less than one-tenth of a cent: and because of the large distribution ad the quantity production achieved through advertising, the advertising reduced the cost to the consumer—instead of increasing it, as the public sometimes thinks. This applies also to Sunbeam Coffee, Catsup, and Sunbeam Food Products generally; to Campbell's Soup; Toasted Corn Flakes; Ivory Soap; Wilso's Hams and Bacon; Eveready Flashlights; Goodrich Tires; Hart, Schaffner & Mark Clothes; Post Toasties; Grape Nuts; Eno's Fruit Salts; Lux; Rinso; Lifebuoy Soap; Waterman's Fountain Pens; Holeproof Hosiery; Hartman Trunks; Wm. Penn Five Cent Cigars; Van Dyck Cigars; Haynes Automobiles;and almost every advertised product.

Too often an advertiser looks upon the large cost per page for the total circulation rather than the small cost per page or per advertisement per home reached. In the magazine field, for example, take The Saturday Evening Post. This great weekly of Cyrus H. K. Curtis's has something over 2,250,000 circulation. A $7,000 per page it carries its advertisement into the homes at about one-third of a cent per home * * * Or take the great Ameican Weekly with over 4,500,000 circulation—the largest circulation in all the world.. It goes into one out of every five homes in the United States, and you can buy a pages in colors for $12,000 or about one-quarter of a cent per home per page. I could spend an hour telling you about the pofitable campaign launched through the use of that medium alone—where it helped to get the advertiser's goods on the shelves of 40,000 dealers, and then because of its influence with its readers and because of their buying power it persuaded them to buy and take the goods off the dealer's shelves—completing a profitable merchandising and advertising campaign. I could tell you about 55,000 of its readesr sending 25 cents each in response to one full-page advertisement.

The daily and weekly newspapers, the farm papers, the dealer papers, the magazines—all of these could double their advertising rates and still, with proper advertising counsel and the right kind of copy, advertisers would find these mediums to be the most economical means of reaching so many buyers. And each could be made to pay handsome profits to their advertisers. But the publishers have no such thought in mind. The larger the circulation the less cost per line to the advertiser is the rule and practice. And my advice to you merchants of Atlantic City and the merchants all the country over, is "support your local nwspapers; push advertised goods; co-operate with national and local advertisers' campaigns."

We are now approaching the time when more intensive Sales work will be necessary, and more and more advertising of the kind that will help the dealer sell the advertised product to the consumer. The manufacturing departments are now catching up with the Dealers' orders and when that happens wise advertisers increase their advertising appropriations and redouble their Sales efforts. Local merchants should follow the example of the National advertiser.

By redoubling Sales and advertising efforts right away we can do most to insure prosperity ror the year ahead of us and the years to come.

I have studied the local advertising of your fine stores of Atlantic City, and I must say the copy and display ,and your fine window displays, compare well with the very best work of the department stores like Marshall Field's, of Chicago, or Manamaker's of New York and Philadelphia. Therefore I know you merchants and publishers realize the value of not only securing the best available advertising managers and writers, but of paying them enough so they will stick and be happy in their work. It is work, and more work, and more work that is going to save this old world of ours. And that means working together here at home socially, and especially in business for the good of the community—and work and more work of the right kind to increase trade with every country of the world. That and that alone will bring and guarantee International Peace, because by doing business together so it is profitable to all concerned it brings happiness to the buyer as well as to the seller. Good trade brings respect of one nation for the other. And advertising and advertising men will show to the world how all the nations may work together for the common good and the prosperity of all. I believe they will be able to help promote this great international friendship so ably suggested and emphasized by that great international friend, Fred Smith, before the A. A. C. of W. meeting here in Atlanta City last Sunday.

The Best of Soles

Those hearty, romping skipping shoe destroying children! How we love 'em but how they try our patience and purses. Kiddie cars! Coasters! Pushmobiles! Hanging on behind wagons and trucks! Wearing, tearing, kicking, grinding. Every waking moment destroying the soles of their shoes.

Only one thing to do. Let 'em go to it, keep 'em healthy.

Only bring the worn shoes to The Wide Awake Shoe Shop for repair.

TO ONE AND ALL—

I am now in position to make boots, and both men and women's shoes, have first class workman will take foot measurement. Give us your orders and enjoy the comfort and durability of our work.

Wide-Awake Shoe Shop

COMB SAGE TEA INTO GRAY HAIR

Ladies! Try this! Darkens beautifully and nobody can tell—Brings back its gloss and youthfulness

Common garden sage, brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation, improved by the addition of other ingredients, a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of muss.

While gray, faded hair is not ...ful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant, and you appear years younger.

HIGHWAY CHIEF GIVES ROAD AMENDMENT PLAN

TEXAS COULD BE PLACED IN LIST WITH OTHER STATES IF PROPOSAL GOES OVER.

Waco, Texas, June 23.—W. V. Crawford, president of the Texas Highway association, issued today a statement outlining the provisions of the proposed highway amendment to the state constitution to be voted on by the people of July 28.

"In spite of all the discussion," he said, "there seems to be a widespread misunderstanding of the proposed amendment. The many inquiries we have received indicate that a great many do not know what it provides. It occurs to me, therefore, that a simple statement of its provisions is necessary.

"The amendment proposes to add the following provisions to the state constitution:

"The legislature is authorized and directed to provide for the creation, establishment, construction, maintenance and repair of a system of improved highways throughout the state, to be under the control of the state and in order that the state may provide the means, revenues and instrumentalities for the establishment and maintenance of such system of highways, the legislature is empowered to levy and cause to be collected specific excise and ad valorem taxes, in addition to those permitted for other purposes in the constitution, but such ad valoem taxes shall be imposed only for the purpose of retiring the bonds authorized by vote of the people of this state as provided for hereinafter in this section.

"When the system shall have been designated and taken over for the state as provided in section A hereof the legislature is authorized to make provision for the equitable compensation to such counties for the value of such improvements as have been theretofore constructed by the counties in the state.

"Provided, also, that, save for the state highway system, in all other respects, couties shall have the right to build, construct and maintain roads, turnpikes and bridges, and the constitutional provisions relating thereto are not qualified or repealed by reason hereof.

"Then there is a section authorizing and directing the legislature to enact legislation to put these provisions into effect.

"First of all it should be said that the provision which refers to ad valorem taxes can be ignored, for the section which would have authorized the issuance of bonds was sticken out by the senate. It was intended to strike out also the reference to ad valorem taxes, but in the rush of the closing hours of the regular session this was overlooked. But it is inoperative and the same as though it had been stricken out. For it applies only to the section which was stricken out, and no ad valorem taxes can be levied if the amendement is adopted.

"If that point is kept in mind there should be no difficulty in understanding the amendment. It provides for the creation of a state highway system and for the levying of specfic taxes for establishment and maintenance.

"If the amendment is adopted the designated state highways will be take over by the state and the counties will be relieved of the duty and expense of constructing and maintaining such highways in the future.

"The taxes it authorizes does not increase the power of the state to raise revenue. The state can levy excise taxes now only they are called occupation taxes. But one-forth of all occupation taxes must go to the school fund, and this amendement would make posible the levying of such a tax for road purposes only. The gasoline tax is an instance of this. Gasoline can not be taxed for roads without also taxing it for schools under the present constitution. Under the amendent it could be taxed for roads alone.

"And finay the amendent provides that counties shall retain all their present powers and revenues with respect to roads. This will relieve the counties from constructing and maintaing state highways and leave them all their present revenue for purely county roads. The provision for compensating counties for roads take over is a matter for the future and will require further action of the legislature.

"The system which this amendment would inaugurate in Texas is the same as that in operation in all the other states in the union with the exception of two or three. A federal law requires that every state must have such a system within the next three years or forfeit any further federal aid in building highways."

STOP THAT ITCHING.

666 Cures Malaria, Chills and Fever, Dengue or Bilious Fever.

NEW FISHING LAW IS IN FORCE IN 37 COUNTIES

SEINES, NETS AND TRAPS ARE NOT PERMISSIBLE IN RIVERS.

Austin, Texas, June 23.—The new law pertaining to the sale of catfish, bass and crappie is now in effect in thirty-seven counties of the state. This law was passed by the Thirty-eighth legislature, and includes the following named counties:

Burnet, San Saba, Brown, McCullough, Edwards, Coleman, Cocho, Menard, Mason, Gillespie, Kimble, Sutton, Kinney, Uvalde, Real, Kerr, Comeal, Valverde, Bandera, Reeves, Rains, Ward, Loving, Pecos, Medina, Cherokee, Hunt, Runnels, Williamson, Houston, Zavalla, Dimmit, Wood, Milam, Travis, Lampasas and Llano.

The laws covers the following named steams in the above named counties:

Colorado, Llanos, San Saba, Guadalupe, Nueces, Medina, Cocho, Pecos, Lampasas, Devils and Little River, Brady creek and San Gabriel and the sulphur and smaller fresh water streams, lakes and pools.

Another special law of similar provisions applies to Bexar and Guadalupe counties.

The law also prohibits the use of seines, nets, traps or other devices in any of the waters of these counties. However, minnow seines not more than twenty feet in length may be used for catching bait. But all minnows more than three inches in length shall be returned to the waters at once while alive.

Another provision of this law prohibits the person to knowingly leave any kind of edible fish upon the bank or ground alajacent to streams to die without intent to eat such fish or use them for bait.

Still another provision prohibits the taking of more than thirty-five fish in any one day. The old law is followed with reference to lines.

NEFF VETOES CUT IN FLOOD SURVEY.

Austin, Teras, June 28.—Governor Neff Saturday vetoed the bill reducing the reclamation survey appropriation from $600,000 to $363,400, and thus leaves the larger amount stand. It was granted by the regular session and reduced by a bill of the third called session.

In permitting the $600,000 to stand, the Governor said he felt that no money would be unnecessarily spent; that those who have the survey in charge will not spend more than is necessary; furthermore, that "the great importance fo the work of conserving the storm waters for utilitarian purposes and the reclamation of the valleys from overflow justifies the larger amount of any necessary part of it."

GOVERNOR NEFF WILL GO ON TRIP TO CUBA EARLY NEXT MONTH.

Austin, Texas, June 23.—Governor Neff today decided to break a precedent during his three years as chief executive. He announced the invitation to accompany the trade excursion supervised by the West Texas Chamber of Commerce to Cube, Panama and other Central American nations. The governor will leave New Orleans on June 30 and will not return to Austin until July 18. This will be Neff's first sojourn outside the state since he became governor. Lieutenant Governor L. W. Davidson of Mashall will sit in the governor's chair during his absence.

WESLACO FARMER GETS FIRST BALE.

Brownsville, Texas, June 23.—The honor of producting what cotton men here believe to be the first bale of the 1923 American cotton crop on record goes to A. P. Thomas. He is a cotton grower residing two miles north of Weslaco in the lower Rio Grande Valley. His bale was ginned at the Weslaco gin at 1:30 o'clock Saturday afternoon and transported by automobile to Kingsville where a special train was waiting to convey it to Houston.

The Weslaco farmer's bale passed through Edinburg two hours before a bale was turned out by the Edinburg gin. The Edinburg bale was immediately taken by automobile to Kingsville, but arrived too late to capture the honor.

The first bale, weighed 434 pounds, will be sold on the Houston cotton exchange Monday.

Help Kidneys By Drinking More Water

Take Salts to Flush Kidneys and Help Neutralize Irritating Acids

Kidney and bladder irritation often result from acidity, says a well known authority. The kidneys help to filter this acid from the blood and pass it on to the bladder, where it may cause burning, irritate and inflame, causing scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread; the passes sometimes with a scalding action and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it because they can't control urination. While it is extremely painful and sometimes very painful, it is often one of the most simple ailments to overcome. Begin drinking lots of soft water, also get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast. Continue for two or three days. This will help to neutralize the acids in the system, so they no longer are a source of irritation, and the bladder and urinary organs, when act normal again.

Jad Salts is inexpensive, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by acid irritation. Jad Salts can not injure, no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink which may quickly relieve you of bladder irritation. By all means have your physician examine your kidneys at least twice a year.

VETERAN TO BE GUEST OF ONE WHO 60 YEARS AGO SAVED HIS LIFE.

Rockdale, Texas, June 21.—Betwee the Battle of Gaines' Mill, nine miles out from Richmond, Va., and the June month of 1923, there lies a span of more than 60 years. Generations of the race of men in that three score years have come upon the scene, played their part and passed on. Great wars have been fought and millions of men since then have died for cause and country, or at the behest of prince and potentate. Men in their middle 40s today are called veterans who fought in the scrimmage with Spain in '98, a war which has become almost a memory. Grown young men and women today know naught of that terrible contest which has gone down into the history of the war between the States as one of the most sanguinary battles waged in that prolonged struggle; or, if they know or have heard aught of it, it means nothing more to them than did the skull which the children took to Casper of ancient time, who could only recall that it was the skull of one who fought in "the great war."

And few there are today living who fought in that battle. Of the half-score of Confederate veterans living in Rockdale today, aged men all of them, there is perhaps but one who helped to make the history, and shed his blood upon the battleground of Gains' Mill. Rev. W. E. Copeland, Scotchsman, a native Glasgow, for nearly 40 years served as pastor of the First Presbyterian church of this place, and now, after retiring, some years ago, is pastor emeritus of the congregation. Mr. Copeland served on the Confederate side in the Gaines' Mill Battle, and there it was he received the rifle shot which shattered his left leg and caused amputation.

In a few days, Mr. Copeland will leave for Richmand, where his hostess will be Mrs. Blount, the 81 year-old Virginia dame, who, as Miss Betty Hicks, 19, nursed the Confederate soldier of just turned 22, back to health while he was recovering from his fearful wound. Discharged as well, Mr. Copeland returned to his regiment and has never seen his nurse since the day he left her lintel.

After the Gaines' Mill Battle, says Mr. Copeland, there were thousands of wounded men lying in the improvised hospital shacks, 40 cots to the room. This hospital was in a 1,000-acre compound near the James River and in these shacks with scant nursing and dearth of medical and surgical attention, the wounded men died with gangrene "like sheep with the rot." Fortunately for the young Scotchs man he was taken out of his shack ward and conveyed to the Hicks home, where Betty Hicks nursed him as many another patriotic Virginia woman nursed the shattered men of her State's army.

Mr. Copeland will be entertained not only by the same woman who nursed him, but in the same house where he lay wounded after that battle, and he looks forward to the experience of sleeping, perhaps, in the same room and upon the same bed where 60 years ago he hung so long between life and death. An experience which comes to but few men, to pass through the battle hell, live to be nearly 85 and after a subseqeunt long and useful life, revisit the scene made hallowed by such memories.

Rub Rheumatic Pain From Aching Joints

Rub Pain right out with small trial bottle of old "St. Jacobs Oil."

Stop "dosing" Rheumatism.

It's pain only; not one case in fifty requires internal treatment. Rub soothing, penertating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain and distress. "St. Jacobs Oil" is a harmless rheumatism liniment which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache and neuralgia.

Limber up! Get a small trial bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment, you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

DALLAS MAN BUYS ROCKDALE LSEAE.

Rockdale, June 23.—Jim W. Kemp of Dallas, associated with J. A. Underwoon of Honey Grove, has contracted for several wells to be drilled on the 346 acres bought for $55,000 by them some two months ago from Robert Isaacs of Minerva.

This tract was a part of the lease upon which the discovery well was brought in February 17, 1921, by Sam Hohenstein drilling for the Oklahoma—Bell County, and is about two miles from the extereme north end of the Minerva pool.

J. F. Leach & Sons have the Kemp-Underwood contract and will get on the location as soon as they have completed the Watson No. 1, wilcat upon which they are now at work finishing.

DOES YOUR BACK ACHE?

It's usually a sign of sick kidneys, especially if the kidney action is disordered, passages scanty or too frequent. Don't wait for more serious troubles. Begin using Doan's Kidney Pills. Read this Cameron man's testimony.

F. A. Mosley, farmer, Second St., says: "I was down and out with my back and was in such a condition, I could hardly do a thing. My back ached all the time and my kidneys were irregular. The secretions contained sediment that looked like brick-dust and the passages were painful. I tried several kinds of kidney medicine, but the only one that did me any good was Doan's Kidney Pills. They cured me of the attack. I am proud to recommend Doan's, for they are just what is claimed for them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Mosely had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (H)

HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, snuffling, hawking, headache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed-up with a cold or nasty catarrh.

EARLY ROUNDUPS IN TEXAS.

When the range was open and free and the cattle industry was operated by men who stayed long hours in the saddle, will be a very interesting story that will appear in the Magazine section of the Herald July 12th.

At these old-time roundups, "outfits" would come for many miles to participate in the roundups and pick up any stray cattle which might belong to them.

It was all strenuous work, accompanied by hardships and dangers, but along with the work there was a certain amount of thrill, and always the call of the big outdoors.

Read it and discuss it with some of the old-timers in your neighborhood; these old-timers are the vanguards of our civilization, and each one has hid away in his memory a good story of the frontier that he will tell you if you show him a little friendliness and kindliness.

Our Day of INDEPENDENCE

The Eagle, tearing its nest fromhigh in the craig and dashing it into the abyss below that heryoung may learn to fly, or die—that is the dauntless symbol of ur Nation.

Today, Earth's Greatest Nation celebrates its birthday.

One Hundred Forty-seven years ago America's forefathers flung free to the world the Eagle's challenge and Liberty was born.

Since July Fourth, that distant day, garments of glory have been woven for America's Sons; great victories have been won on the field of industry, commerce and finance fromout the crucible of other wars great spirits sprung.

But the deeper significance of the day smolders in American harts, and when the sound of blowing horns, ringing bells and revelry dies down, the whole Nation thrills with its sense of Independence and lives again the scenes that have made possible our life-long Liberty and Freedom.

SHALL TEXAS TURN DOWN THIS MONEY?

On Nov. 10, 1921, President Harding signed an amendment to the Federal Aid Act granting such states as had not changed their laws to conform to said act, three years in which to do so. This amendement was later changed and the period extended to five years. Under this law, Texas has until Nov. 9, 1926, to change its laws. For Texas to comply with this act it will be necessary to amend the State Constitution.

The last Legislature, realizing the resolution calling for an election to be held on the amendment July 28, 1923. If this amednment carries all roads in Texas, designated as State Highways, will thereafter be maintained entirely by State and Federal funds, and both State and Federal govrments will provide more liberally and supervise more closely the upkeep on these higsways than has ever before been attempted. They will become real highways, to an extent that is not possible under the present system.

It can readily be seen that when the various commissioners courts of the State are thus relieved of the burden of up keep on the main highways they will have more county money to spend on building and maintaining other county roads not subject to State and Federal aid. Therefore, the adoption of this amendment means a great deal to every county road in Texas.

In voting for this Constitutional Amendment on July 28 next, you are not voting for a bond issue, nor does the Amendment provide for bonds in any sense. It is proposed to raise the necessary State funds with the gasoline tax bill and other measures of like nature which will provide the State with sufficient funds to match the Federal government in the road building program mapped out.

The people of Texas as a general proposition, do not look with favor in making changes in the Constitution of the state, but in this instance it would seem to the careful student that we have all to gain and nothing to lose, and as yet no argument has been advanced from any source as to why this Amendment should not be adopted. On the other hand, if we fail to adopt it we are informed by UncleSam that such aid as would have come to Texas in her road building program will automatically be diverted to some other state more alive to her interests than we will show to be.

The National Congress has appropriated the huge sum of $75,000,000 to be available in five years for this Federal aid project. Texas' share of this money will be seven per cent or $5,250,000. Regardless of the question of wisdom on the part of Congress, the Federal Aid Act is a reality, and the only question now is, does Texas want her share of the money? If so we must vote for the amendment on July 28.

Bringing the proposition down closer to home. Do we of Milam county and of Rockdale want our share of this money? Rockdale has two State Highways running thru her borders. The Sap highway has been built but must be maintained. The I. & G. N. Highway has been designated but is yet to be constructed. Shall we build and maintain these two highways ourselves, or shall we let the State and Nationl governments do it for us—as they want to do? It's up to us to accept a good road as a gift—or dig down in our pockets and build it ourselves.

Go to the polls July 28 and vote for the amendment. Would it not be foolish to do otherwise?—Rockdale Reporter.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

County of Milam.

Notice is hereby given that an election will be held on the 7th day of July A. D. 1923, at Ben Arnold school house District No. 59 in this County, as established by order of the Commissioners Court of date the 15th day of February 1913, which order is of record in Volume 5, Page 253 of the Minutes of the Commissioners Court of Milam County, Texas to determine whether a majority of the legally qualified property tax paying voters of said District desire to increase the tax now leved in said District for the purpose of supplementing the State school fund apportioned to said District from a rate of fifty cents on the one hundred dollar valuation of taxable property in said District to a rate of seventy-five cents on the one hundred dollar valuation of taxable property in said District for said purpose, and to determine whether the Commissioners Court of this County shall be authorized to levy, assess and collect annually said rate of seventy-five cents on the one hundred dollar valuation of taxable property in said District for said purpose.

Frank Sherrill has been appointed presiding officer for said election, and he shall elect 2 judges and 2 clerks to assist him in holding the same and he shall within five days after said election has been held make due return thereof to the Commissioners Court of this County as is required by law for holding a general election.

The polls in said election shall be opened at 8 o'clock a. m. and shall be closed at 6 o'clock p. m.

All persons who are legally qualified voters of this State and County, and who are resident property tax payers in said District shall be entitled to vote at said election, and the voters who favor increase in the rate of taxation for school puropses shall have written or printed on their ballots the words: "For increase of school tax;" and those opposed to such increase of taxation shall have written or printed on their ballots the words: "Against the increase of school tax."

Said election was ordered by the County Judge of this County by order made on the 13th day of June A. D. 1923, and this notice is given in pursuance of said order.

Dated this the 13th day of June A. D. 1923.

D. S. ROGERS, Sheriff,
Milam County, Texas.

CAMERON PROSPERITY PICNIC AND JULY CELEBRATION

CAMERON TUESDAY JULY 3

FREE BARBECUE

Speaking, Firemen's Reel Races, Airplanes, Baseball, Grand Parade, Swimming, Free Barbecue, Band Music, Singing and Dancing

All Central Texas is interested in the great celebration and Prosperity Picnic to be given in Cameron Tuesday July 3, 1923. Multiplied thousands of people from over the county and adjoining counties will be guests of the people of Cameron on that day.

Forty beeves have been donated by citizens to feed the great crowds on hundreds of yards of tables spread among the Great Oak Trees in the City Park. Baskets by the score will be brought in by the people and the dinner will be the best ever served in Milam County.

Hundreds of people are engaged in making the plans for this great day of entertainment. The city will be decorated and the entertainment provided in the program will be worth coming miles to enjoy to say nothing of the pleasure of greeting your friends and neighbors.

CENTRAL TEXAS FIREMEN ARE COMING TO CAMERON JULY 3

FREE BARBECUE
FORTY BEEVES

THOUSANDS ARE
COMING JULY 3

BIG CASH PRIZES

July Third will be a day long to be remembered in Milam County. Cameron Firemen are going to entertain Reel Racing Teams from many of the Central Texas towns and at 1:30 in the afternoon the people will see the fastest teams in the state compete for prizes aggregating $350.00.

In addition to this Cameron's own Reel Racing Team will be seen in a test of speed. This team took three first prizes at the state meeting in San Marcos

PLAY BALL

When the Umpire calls the batteries the Cameron Comets will meet San Antonio Bears of the Texas League in the best base ball game of the year. Just preceeding the game airplanes will circle above and entertain for fifteen minutes with an air circus that will defy the dare devil antics of war time flyers.

GREATEST ENTERTAINMENT AND CELEBRATION HELD IN TWENTY YEARS IN THE COUNTY

PROSPERITY BARBECUE AND PICNIC JULY 3RD, 1923.

8:00 a. m.—Parade forms at City Park facing north on Crockett Street, march thence up Crockett Street to 13th Street, turns west to Houston Street, turns south on Houston Street, to Main Street, turns east on Main Street to Crockett Street, thence up Crockett Street to Park.

10:00 a. m.—Singing and Band Concert at City Park.

10:30 a. m. Address by Hon. Luther Johnson, Member of Congress and others.

12:00 Noon—Dinner.

1:30 p. m.—Reel Races at City Park on East 11th Street.

2:30 p. m.—Water fight at City Park on East 11th Street.

4:00 p. m.—Parade to Lawless Green Athletic Field.

4:15 p. m.—Aeroplane Stunts.

4:30 p. m.—Ball Game, Lawless Green Athletic Field, Cameron Comets vs. San Antonio Bears of the Texas League.

6:00 p. m.—Impromptu events at City Park, including swimming and fancy diving.

8:30 p. m.—Dance at Henne & Meyer Furniture Store Building.

ENTERTAINMENT FOR ALL

So thorough has the program been arranged that all who come will find entertainment to please. In the morning the great parade will be held beginning at about eight-thirty o'clock. This parade will feature some of the best floats and attractions ever seen here. A number of prizes will be offered.

Bands will lead the parade and immediately after the parade a concert will be held at the park supplemented with singing by some of the state's best known artists.

HON. LUTHER JOHNSON

An insight into national affairs will be furnished in an address by Hon. Luther Johnson of Corsicana who will begin delivering his address at 10:30 o'clock.

Immediately after the speaking program dinner will be served. Then comes the great reel races for prizes, followed by many other entertainment features.

BEGIN NOW. MAKE YOUR PLANS FOR COMING TO CAMERON TUESDAY JULY 3.

TEXAS KLANS THREATEN REVOLT OVER BIG ROW

WOULD HAVE GRAND OFFICERS QUIL FIGHT AMONG THEMSELVES.

SAN ANTONIO, Texas, June 23.—With Emperor William Joseph Simmons and Imeprial Wizard H. W. Evans both en route to Texas, and with a number of the local lodges of the Knights of the Ku Klux Klan in open defiance of the imperial headquarters, reports are current in klan circles that the present week will see interesting developments in the national klan situation. Some go so far as to declare that Texas will become the battleground upon which will be fought the contest between the emperor and the wizard, and that the week's developments may determine which of them Texas klansmen will support, or whether the Texas klan will withdraw from the Atlanta organization.

Following the announcement Saturday by George W. Keeling, state kleagle for Texas, that the San Antonio and a score or more of other local klan organizations had sent an ultimatum to Atlanta and would refuse to remit funds to headquarters, pending final settlement of who would spend the money, came telegrams from Atlanta and Dallas that the emperor and wizard were both en route to Texas. Other messages declared that the leading Texas klan organizations would remain loyal to the wizard.

The resolution adopted by the klan locals of South Texas, after reciting various matters which led up to the secession, sums up the matter as follow:

"The imperial proclamation says that the purpose of the organization is not for 'selfish profits,' and yet prices charged for robes, printed matter, etc., from 150 to 500 per cent more than original costs, as evidenced by prices quoted from other sources on the same items and quantities.

"Further evidence that the work of the organization has been promulgated for 'selfish profits' is the extortionate fees, such as imperial, real and province per capita tax and $5 of each Klecktokon, which have been and are exacted of local klans; the funds thus accumulated being expended wthout any suggestion or restraint from the local organizations, and without any requirement that an accounting of these funds be made to the local organization;and according to the best evidence obtainable, there has been the most gross extravagance, waste of funds, without hindrance by the imeprial realm and province officers of the Knights of the Ku Klux Klan.

"In view of the notorious and continuos turmoil and litigation pending at the Atlanta headquarters ad the uncertainty of our local klan's relationship with same, therefore,

"Be it resolved, That all officers and klansmen are instructed to refrain from contact with the Atlanta headquarters, withholding all reports, moneys on hand in the treasuries, and all that shall be received in the future; and that this attitude continue in effect until the following demands or requirements have become effective:

"First—The purging of the present regime and the removal of all friction.

"Second—Such changes in the constitution that will make same comply with democratic ideals and principles, namely, in that (a) The military character of the organization shall be changed to comport with democratic principles; (b) The local unit to be the basis of representation; (c) Election of officers to gradute from the local unit to the imperial wizard; (d) Abolishment of the imperial klan; (e) Grant to no one the power to invade the jurisdiction of a local unit and confer the title of klansman; (f) Make all pledges of loyalty to principles instead of titles and individuals.

"Third—A reduction of per capita taxes to a minimum, and that portion of the Klecktokon, to be remitted to headquarters, to be $1.

"Fourth—Cessation of the extortionate charges for supplies.

"Fifth—Right of petition."

After making the resolution public, Mr. Keeling made public a letter which, together with the resolution, had been forwarded to the Atlanta headquarters, and which invited Emperor Simmons and other imperial klan officials to come to San Antonio Tuesday and show cause why the provisions of the resolution should not be carried out.

Mr. Keeling said that on Tuesday night last there was a meeting here of klansmen from Austin, Beeville, Devine, Del Rio, Bloomington, Carrizo Springs, Goliad, Hondo, Jourdantown, Mathis, Pearsall, Uvalde, San Antonio and other points, when the decision was finally reached to withdraw from the Atlanta klan headquarters unless the demands were met.

Another metting of San Antonio klansmen was held Friday night, at which he said the resolutions demanding changes in the system of the organization was adopted.

MAN CHARGED WITH MURDER OF FATHER IS GIVEN 99 YEARS.

Anson, Texas, June 23.—A jury in the Jones county district court here this afternoon found Henry J. Toussaint guity of murder for the slaying of his father, O. H. Toussaint, and assessed his punishment at ninety-nine years imprisonment in the state peniteniary.

The verdict was returned at 5:30 after the jury had been out an hour and a half. Toussaint had been found guilty by a jury in one of the Wichita county district courts, which assessed the death penalty. An appeal was taken and a new trial ordered on grounds of the misconduct of the jury. After failing to obtain a jury for a second trial in Wichita county the case was venued to Jones county. The elder Toussaint was killed Feb. 6, 1921, being shot from ambush on a street in Wichita Falls. His son later confessed to the killing.

YOUNG PEOPLE WHO KNOW IT ALL SHOULD NOT READ THIS.

Are you chained to a small job and a small salary? Are you in a rut where you are just holding your own, where you are not improving yourself and have no future? Don't think you are standing still. You can't. You either move forward or backward. If you are not progressing you are losing ground. You have ambition, you want a good position and prospects for success in the future. Don't allow yourself to stay on a small job and a small income, without making any progress in life. Get your feet on the ladder of success. Now are you going to do it?

There are several ways from here to there. You can travel the twenty-five thousand miles around the earth and arrive in the next street, or you can take a straight line across the block and reach your destination in two minutes. The world is full of the people trying to cross the block by going around the world. The ones who get somewhere are the ones who know how to select a direct route.

THE DIRECT ROUTE TO A GOOD BUSINESS POSITION IS THRU THE TYLER COMMERCIAL COLLEGE.

If you don't believe this, go out some way and make a dozen applications for positions. Approach, the employer and say "I would like to have some kind of a position," and when you are asked what you can do, tell him you haven's any particular training, but that you can do most anything. Ninety-nine times out of a hundred he will tell you he wants a bookkeeper, stenographer, typist, somebody who can do someone thing in a superior way.

There is a short cut to business success and there is a long route and when you are young you have the opportunity to select the one or the other. Doubtless you can get some kid of a job in a business and work up. Successful business men are too busy to teach school in their office. Don't underestimate the difficulty of the task of working up. Select the shorter route, through Tyler Commercial College, and you will reach your destination early enough to enjoy the fruits of the journey.

You do not have to be a sage to understand that these things are true but you will be a wise young man or woman if you realize their significance, realize that they apply to you and not to someine else, and take advantage of the opportunities that the right sort of a good paying pisition will open up. Take a course with us and we will place you in a good paying position as soon as you finish. Fill in coupon below and mail to us for free catalogue, descriptive of our courses of Bookkeeping, Shorthand, Business Administration and Finance, Telegraphy, Cotton Classing, etc., and of the largest America.

"Built Me Up"

"I USED Cardui for years and it did me more good than any medicine I ever used," writes Mrs. M. C. Ragsdale, of Fort Towson, Okla. "I used to suffer with womanly trouble that weakened me until I was a mere shadow, nervous, and could not sleep. I did not feel like I could live.

"It seemed that nothing helped me till I heard of Cardui and began to use it. It strengthened me and, as 'twas recommended to do, it regulated and built me up till I was like another woman."

If you are weak, run-down and feel that you need a tonic, take Cardui, the woman's tonic, the tonic about which you have always heard, the tonic that helps weak women regain their strength.

Cardui acts on the womanly system and helps relieve pain and discomfort due to female ailments.

Try Cardui, today, for *your* trouble.

Summer Outings

—on the—

S. A. & A. P. MOUNTAINS | SAN ANTONIO AND ARANSAS PASS RAILWAY | S. A. & A. P. GULF COAST

Texans, who enjoy Summer Camping will miss a great treat if they do not go to Live Oak Peninsula, between Aransas and Capano Bays this Summer. Rockport is the railroad station, and the S. A. & A. P. Railway will take you there.

A SEA COAST WITH PLENTY OF SHADE.

This Section is covered with big Live Oak trees. Here you can combine the pleasures of Summer Camping with Sea Fishing, Sailing and bathing—an ideal and economical way to spend an "Outing." Those who prefer camping right on the beach front can find many fine places in and around Corpus Christi. The S. A. & A. P. Railway will take you there. Splendid Hotels and Boarding houses at Corpus Christi.

HILL AND MOUNTAIN CAMPING.

The Hills and Mountains on the Boerne-Kerrville Branch of the S. A. & A. P. Railway furnish most delightful places for camping—altitude range from 1500 to 2000 feet. Good hotels and boarding houses at S. A. & A. P. Stations.

SPLENDID COMMUNIAY CAMPING.

Make up camping parties and select your camping location. You will then find out what splendid neighbors you have away from politics and business. Take along the phonographs and fiddles; community singing and camp life under the stars will bring new joys and sunshine to all. Send a representative to the many S. A. & A. P. Resorts and pick out a camp site. Plenty of water, and the truck farms will furnish you vegetables.

Fishing, bathing and boating in the Golf Salt Water or in the beautiful Guadalupe River on Kerrville Branch, all of which will add an invigorating and enjoyable vacation.

Summer Round Trip tickets are now on sale to Corpus Christi, Rockport and Kerrville. See your Railway agent. Write the Secretary of Chamber of Commerce for further information, or address

GEO. F. LUPTON, G. P. A.
San Antonio, Texas.

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of Chas. H. Fletcher on the wrapper all these years just to protect the coming generations. Do not be deceived. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Never attempt to relieve your baby with a remedy that you would use for yourself.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

GENUINE CASTORIA ALWAYS
Bears the Signature of
Chas. H. Fletcher
